Red lights, blue lights
Go up and down.
Lights on the fire truck
Go around and around.

Fire engine, fire engine,
Red as a beet.
Fire engine, fire engine,
Racing down the street.

Move out of the way!
Honk honk honk!
We've got to save the day!

There's a fire in the town
So we've got to move fast.
The fire truck is coming through.
Let that fire engine pass.
