**Fire engine, fire engine, red as a beet.
Fire engine, fire engine, racing down the street.**

**Fire engine, fire engine, red as a beet.
Fire engine, fire engine, racing down the street.**

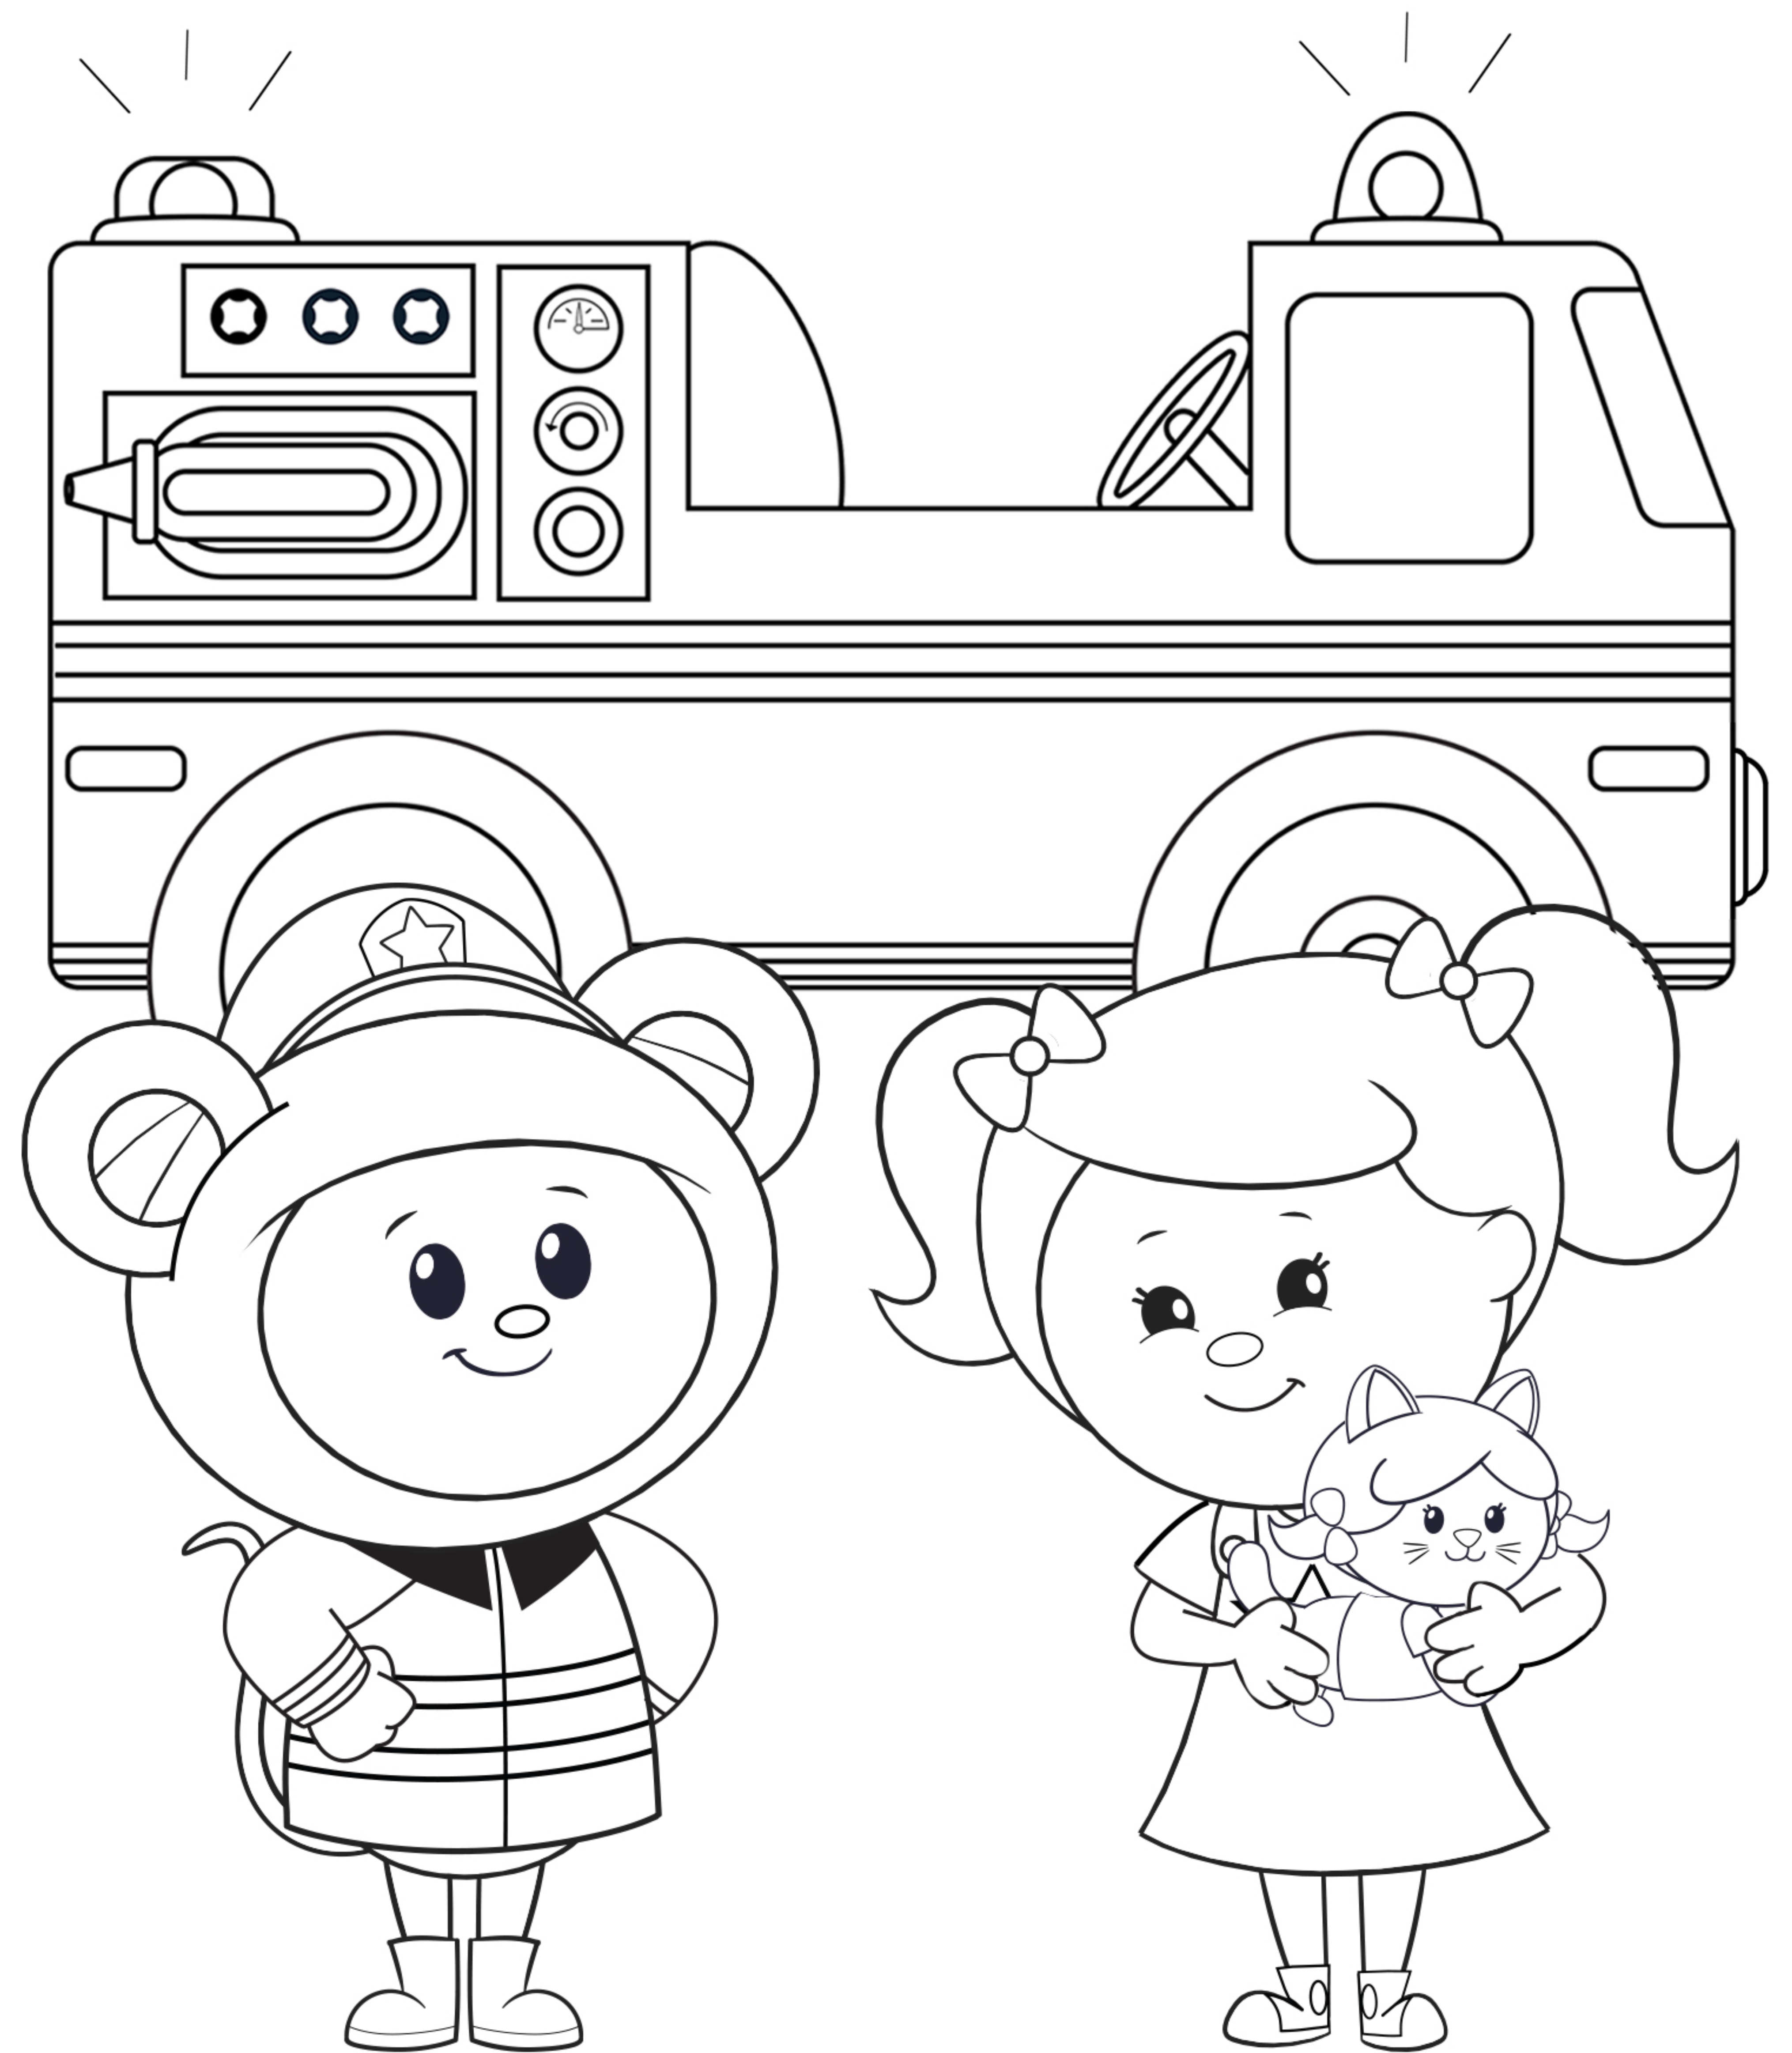

Eee-ooh, eee-ooh!
It's an emergency!

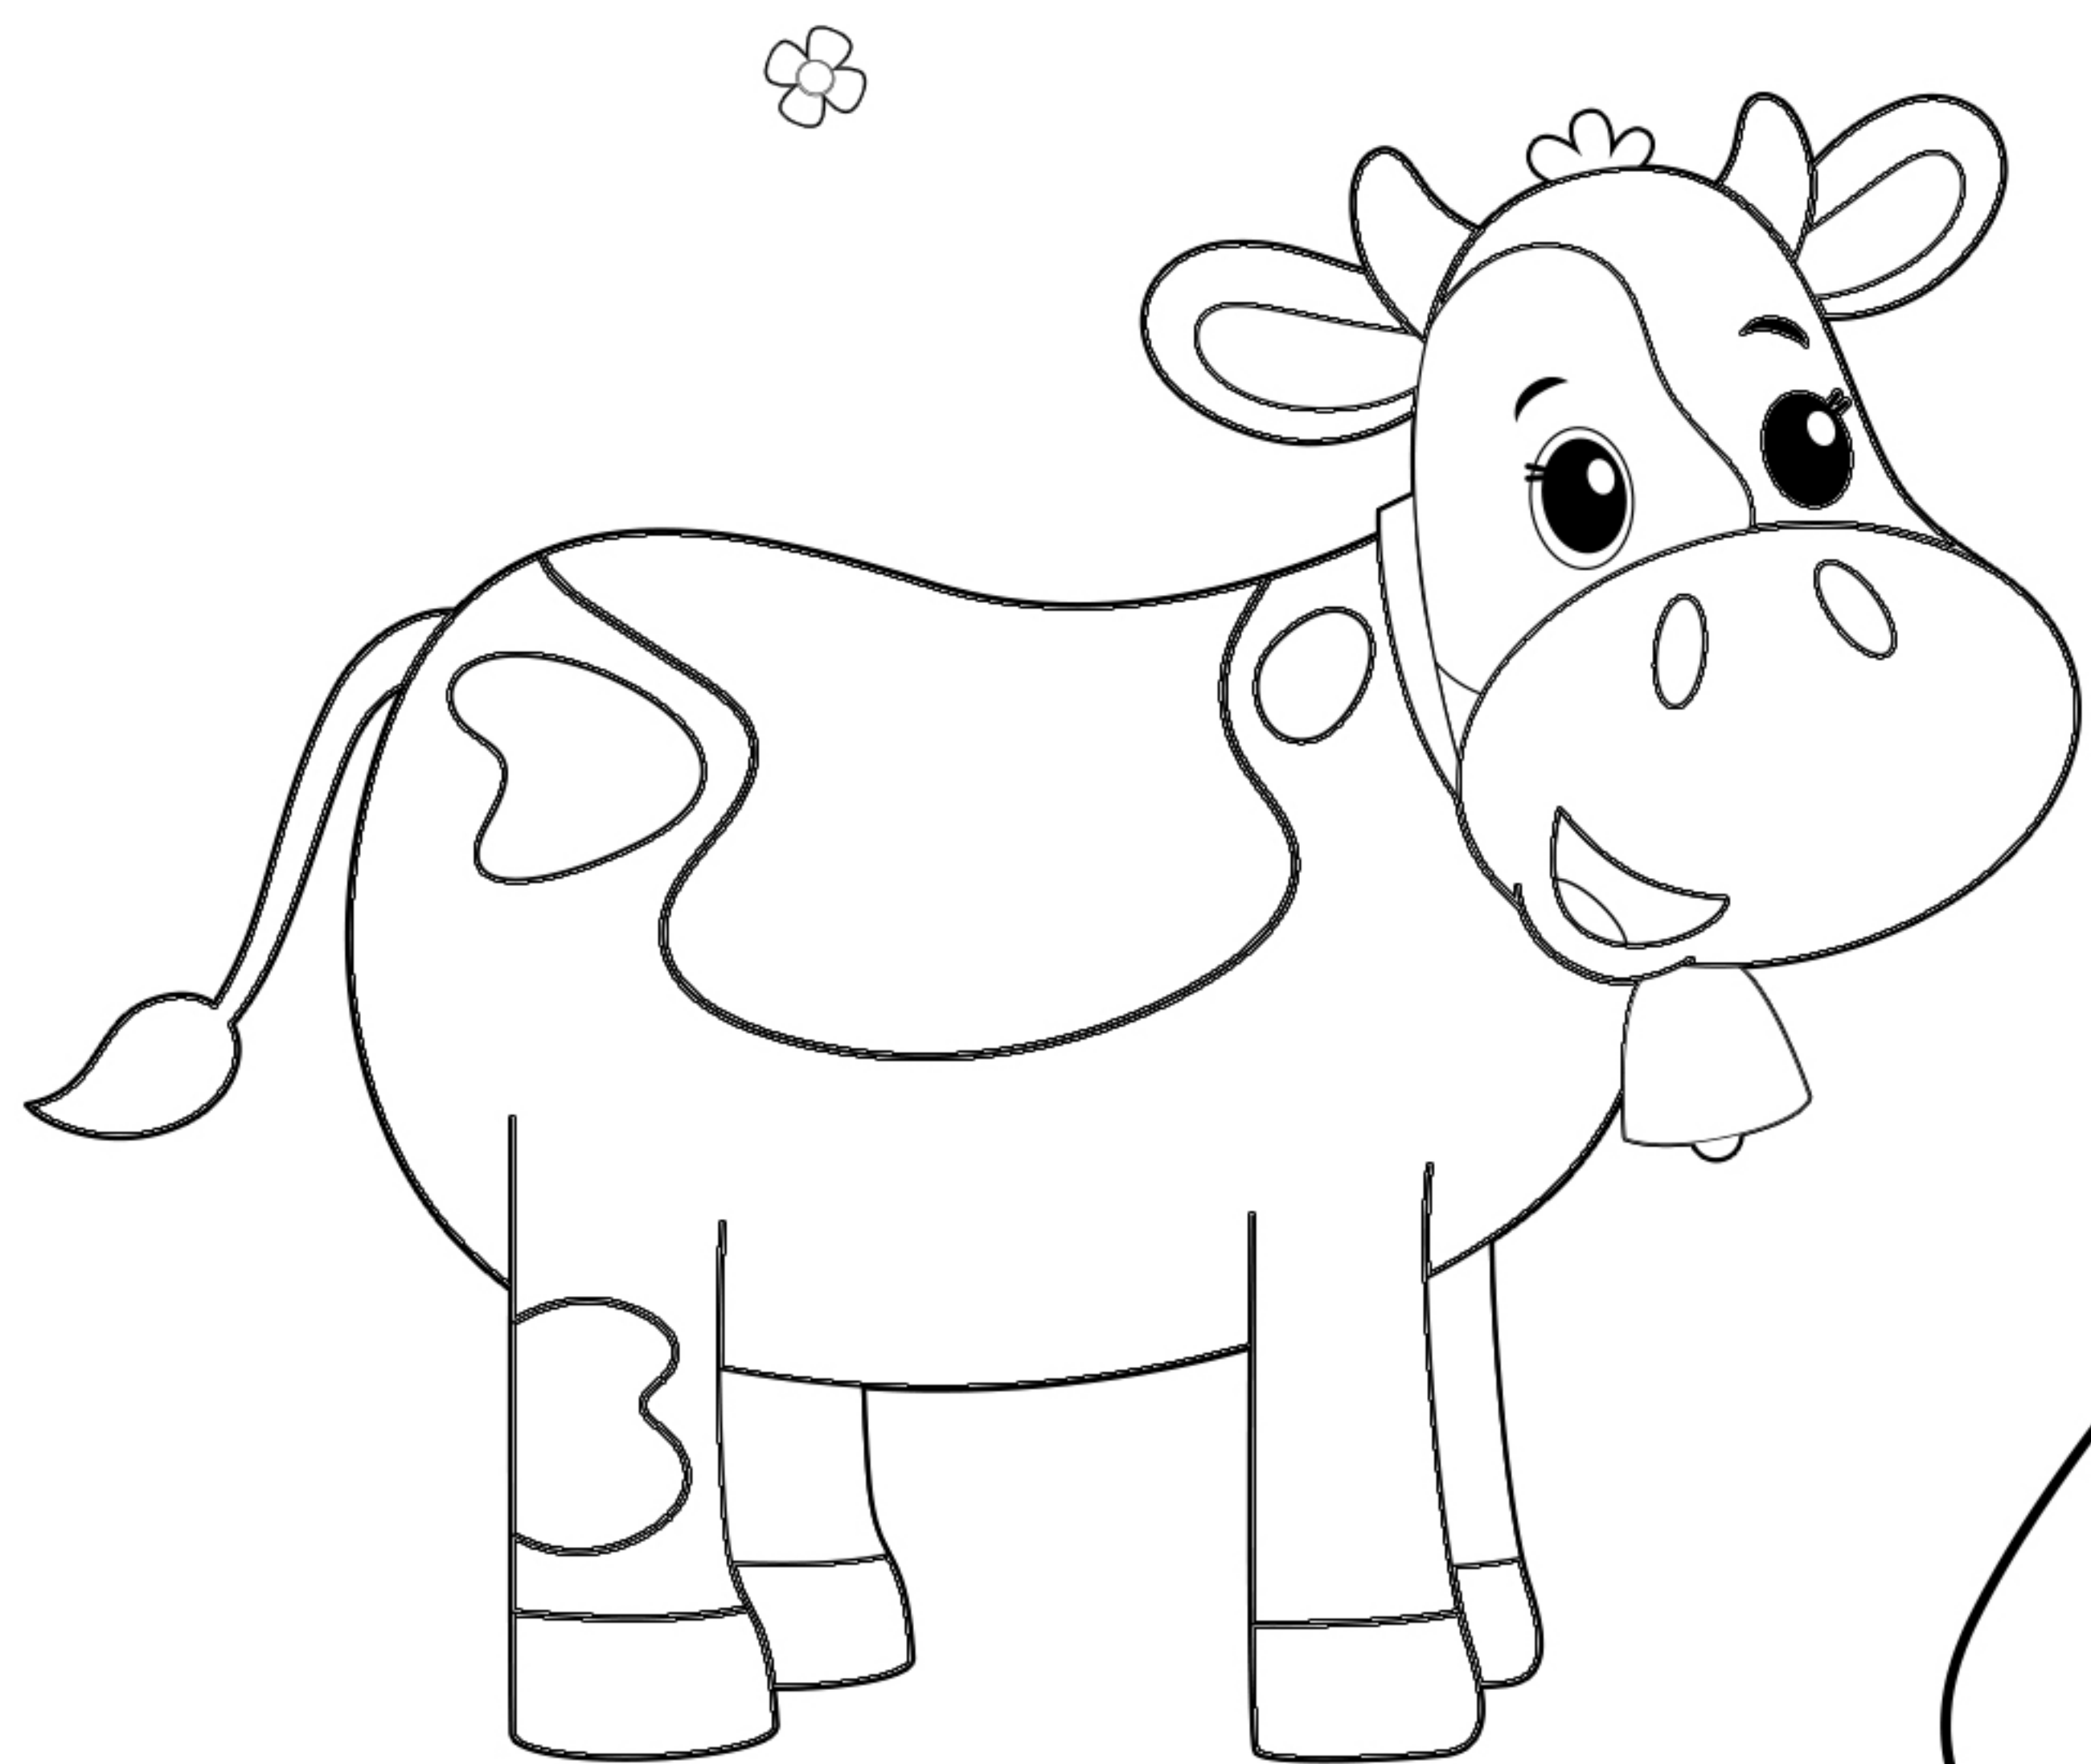

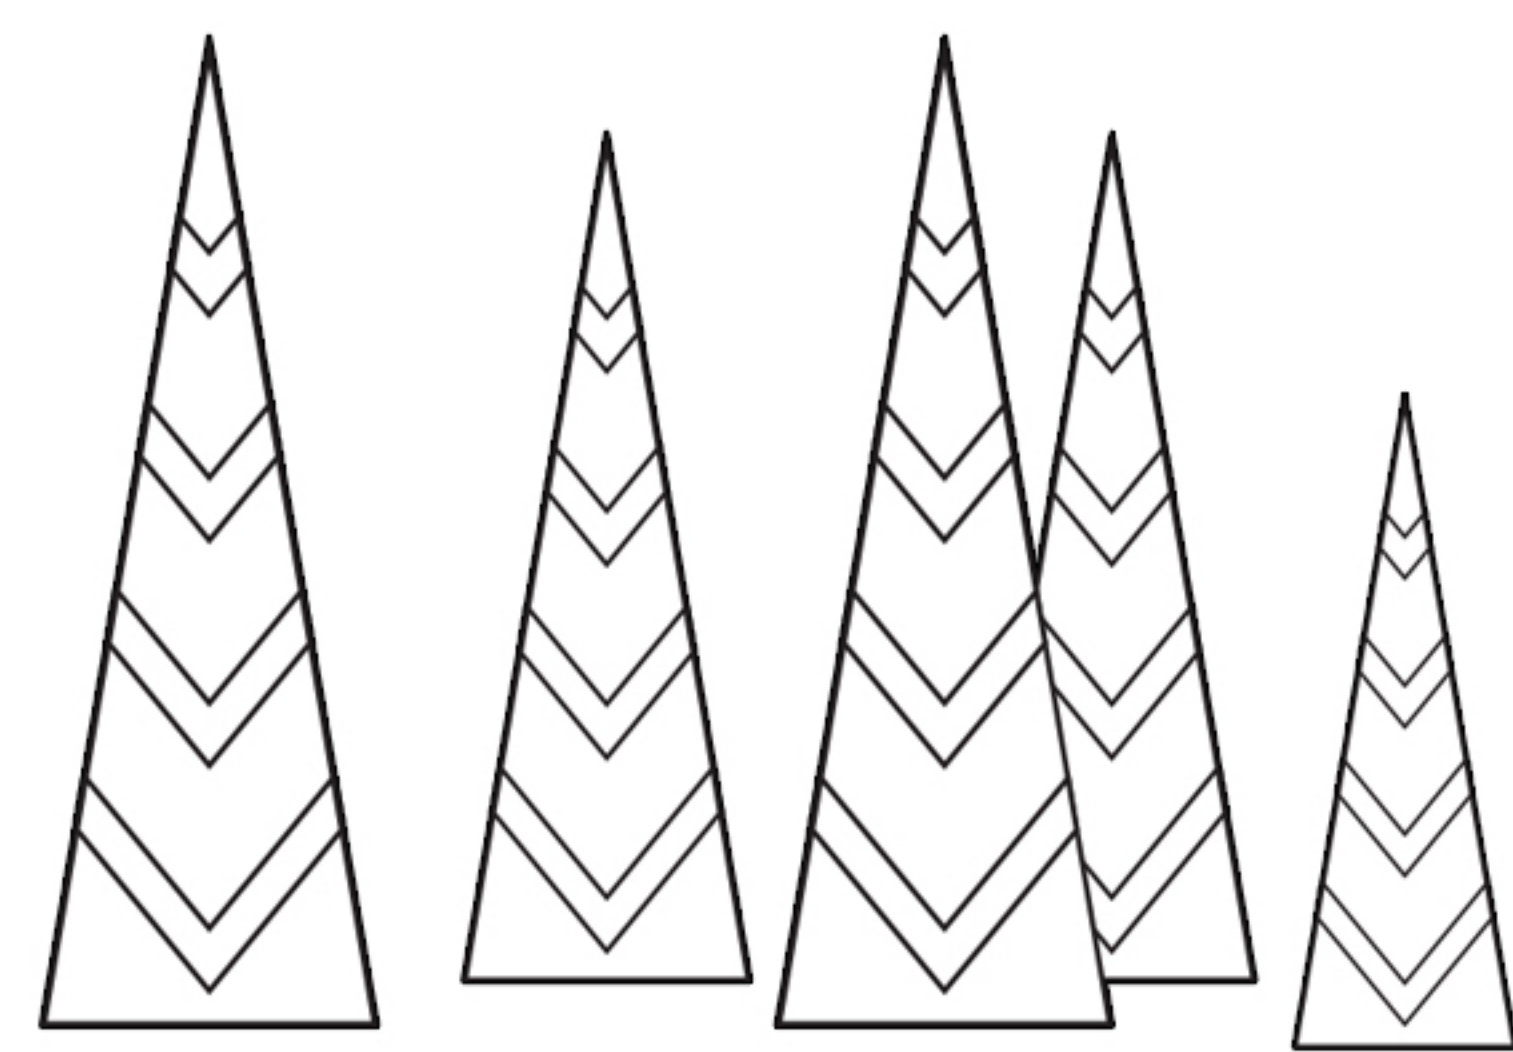

Eee-ooh, eee-ooh!
My cat's stuck in that tree!

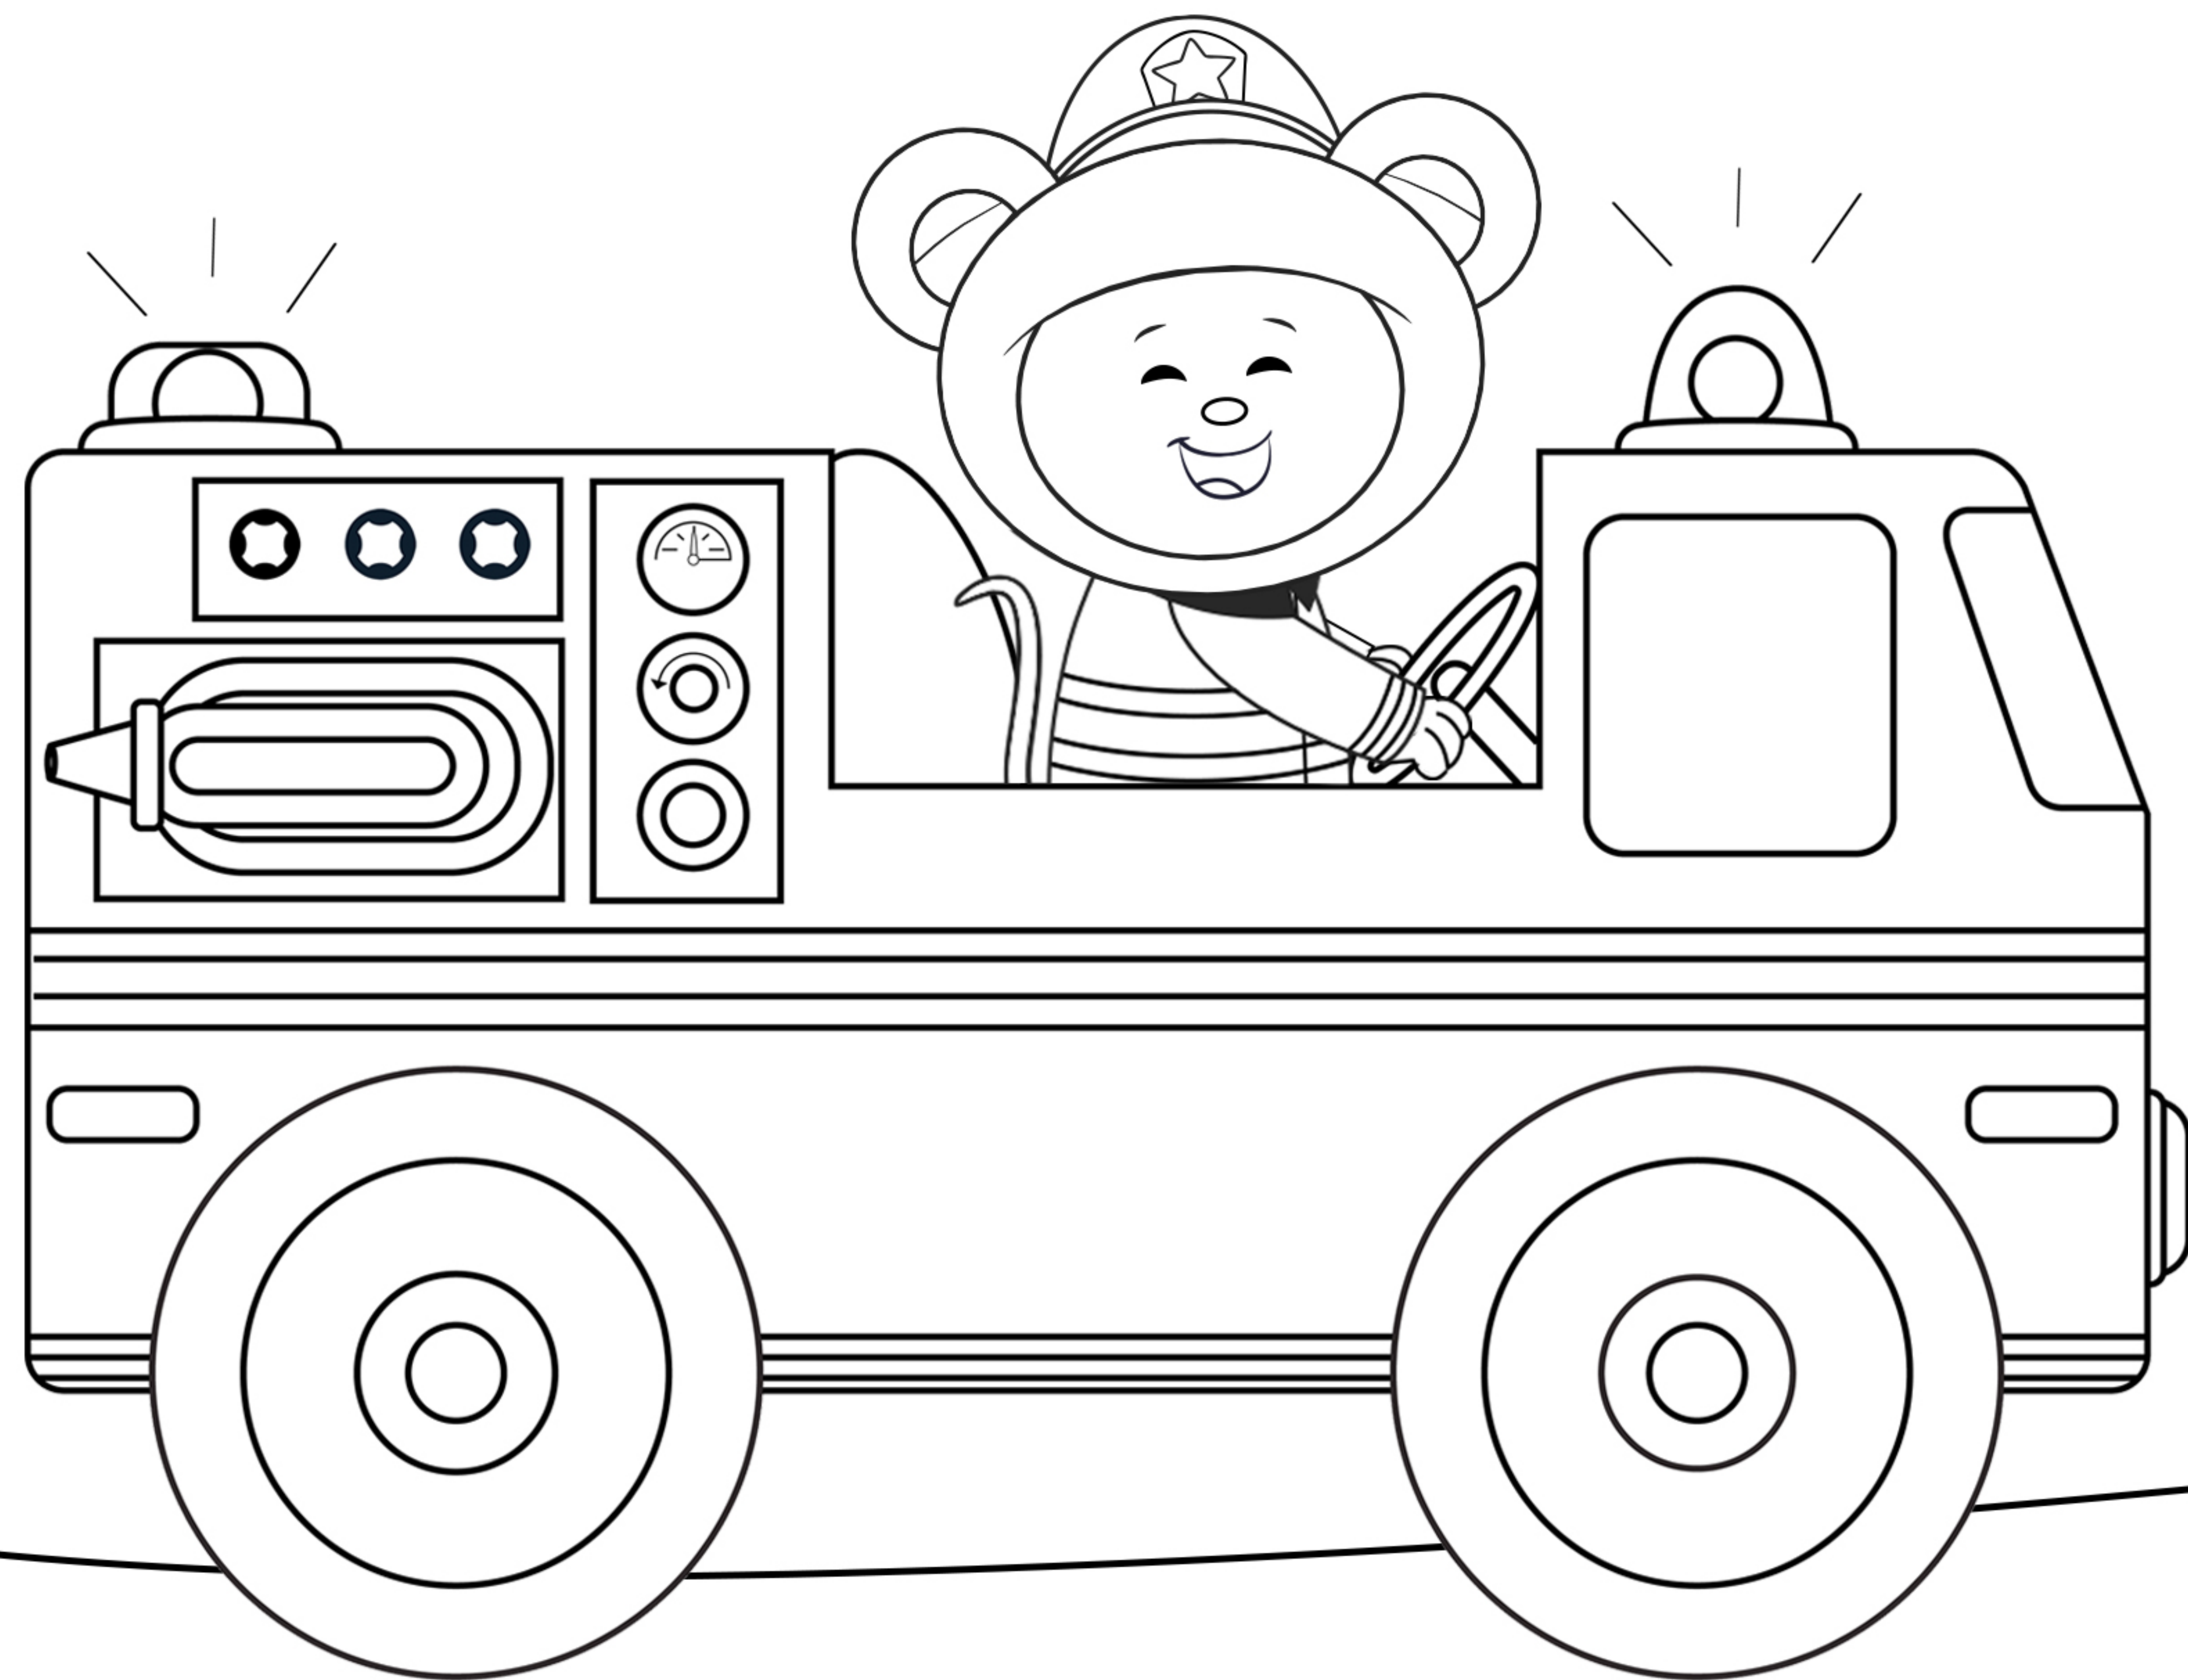

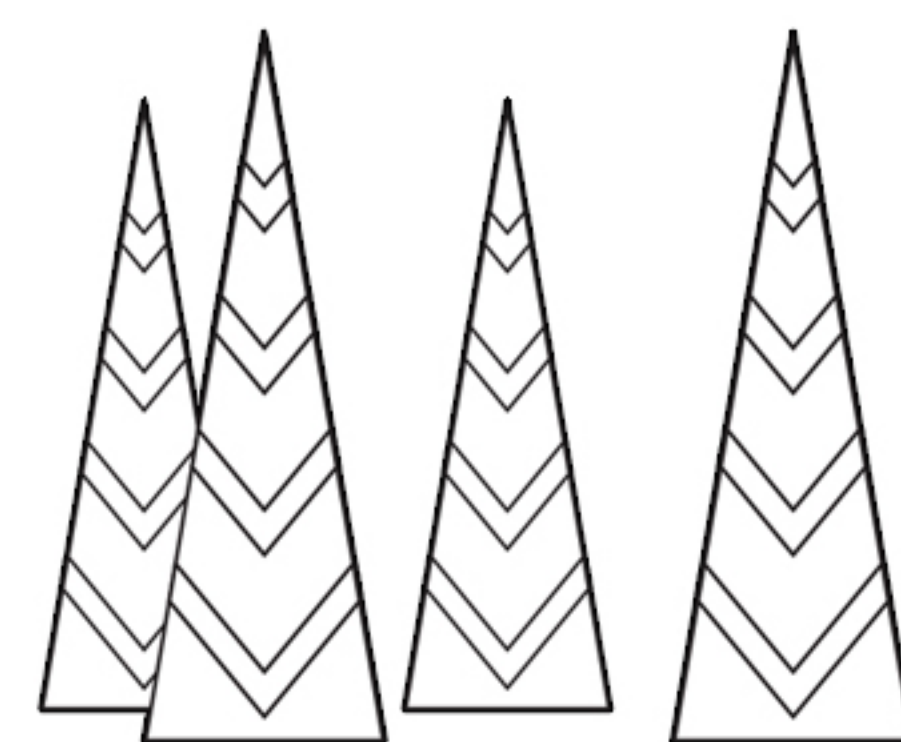

**Red lights, blue lights
go up and down.**

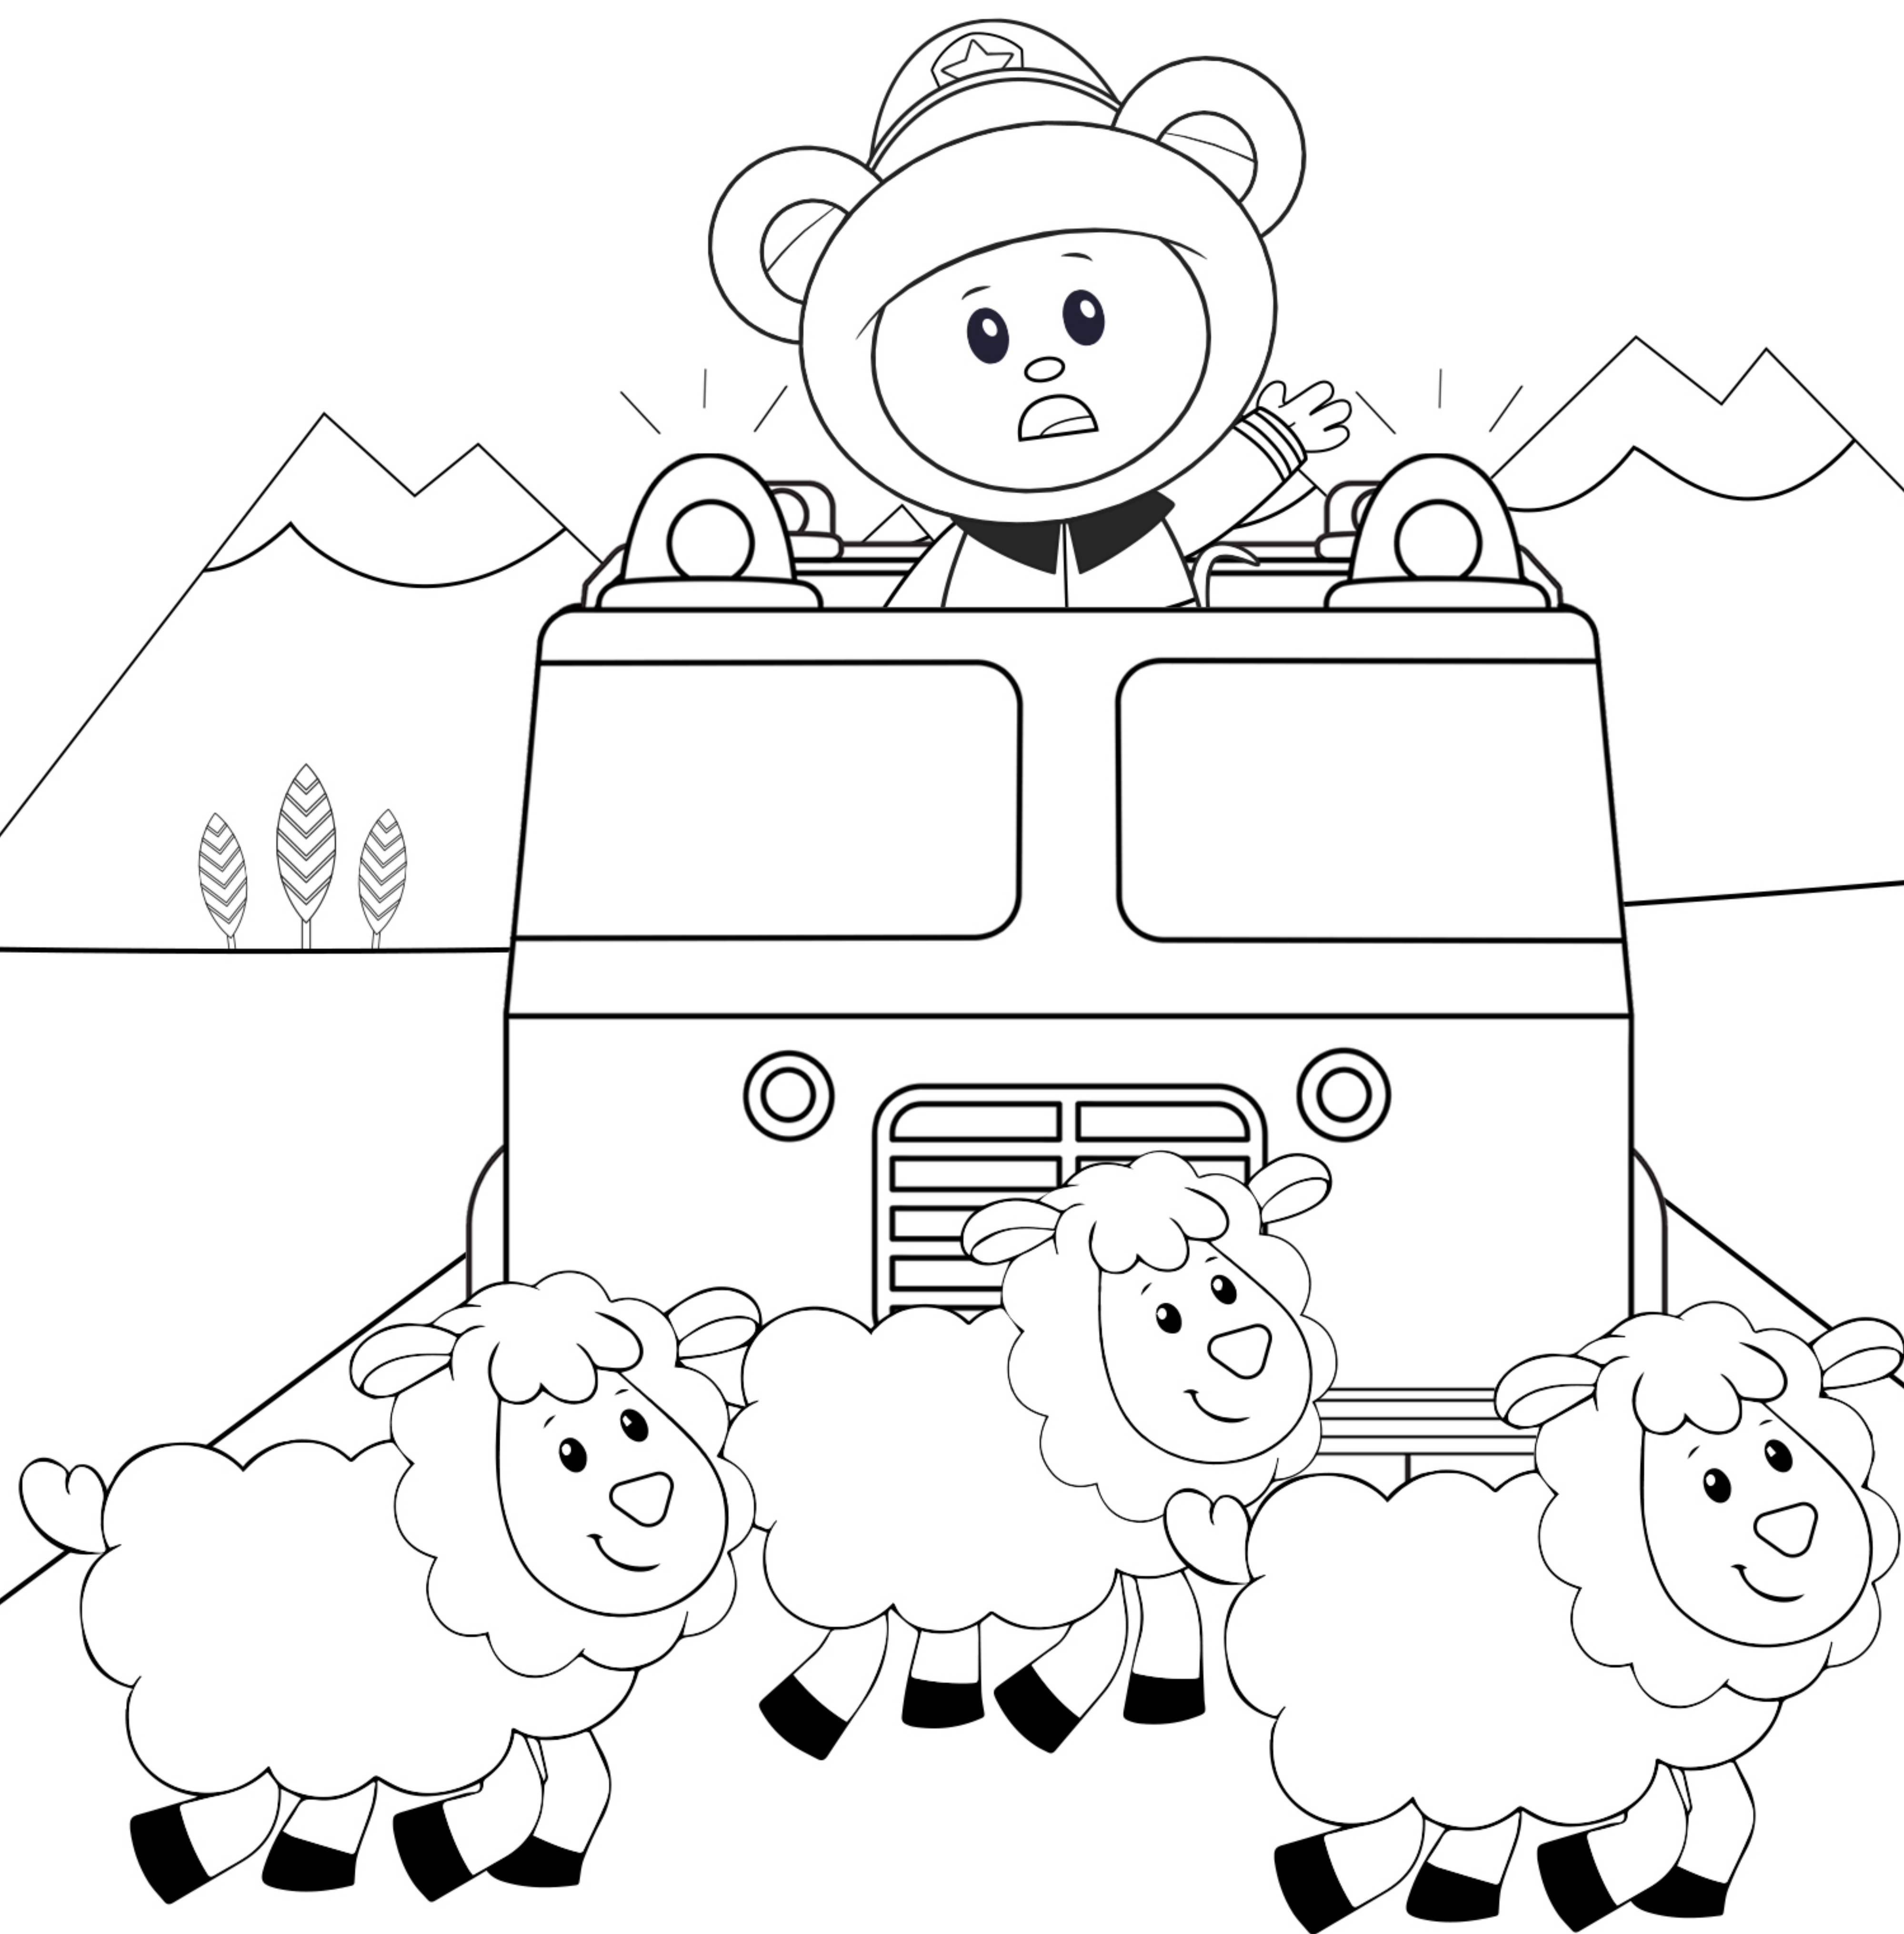

**Lights on the fire truck
go around and around.**

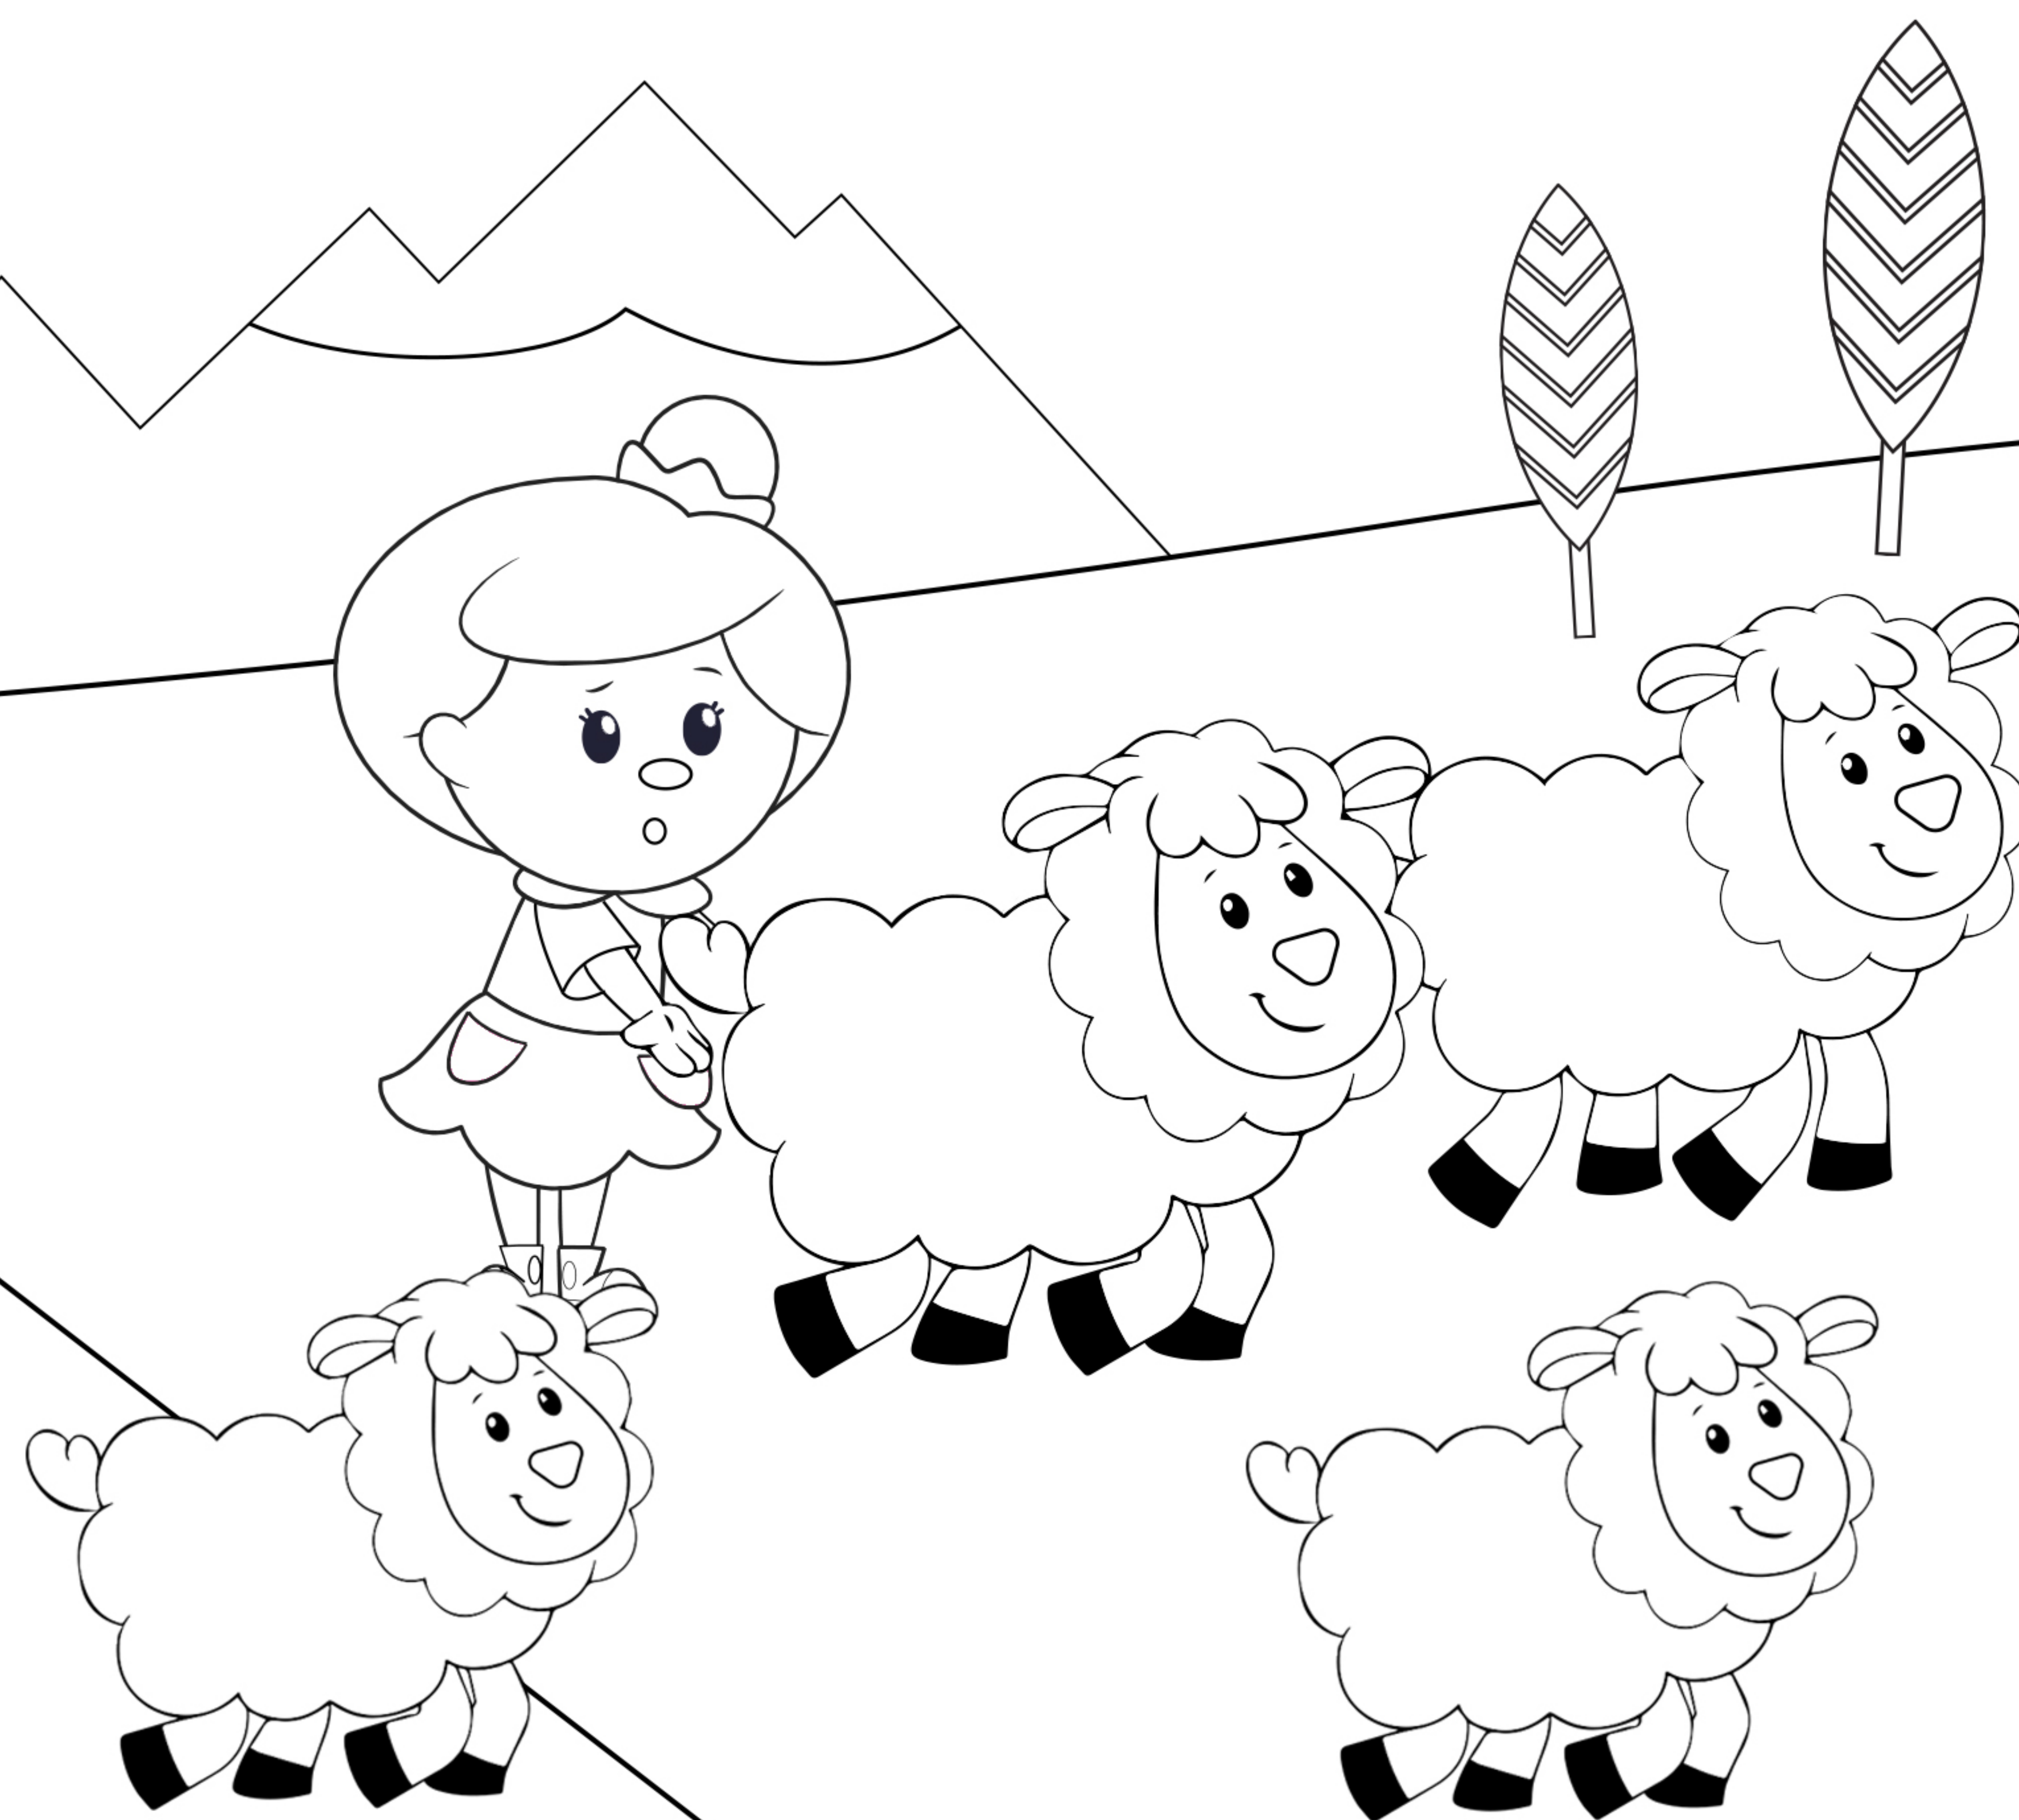

**Fire engine, fire engine, red as a beet.
Fire engine, fire engine, racing down the street.**

**Fire engine, fire engine, red as a beet.
Fire engine, fire engine, racing down the street.**

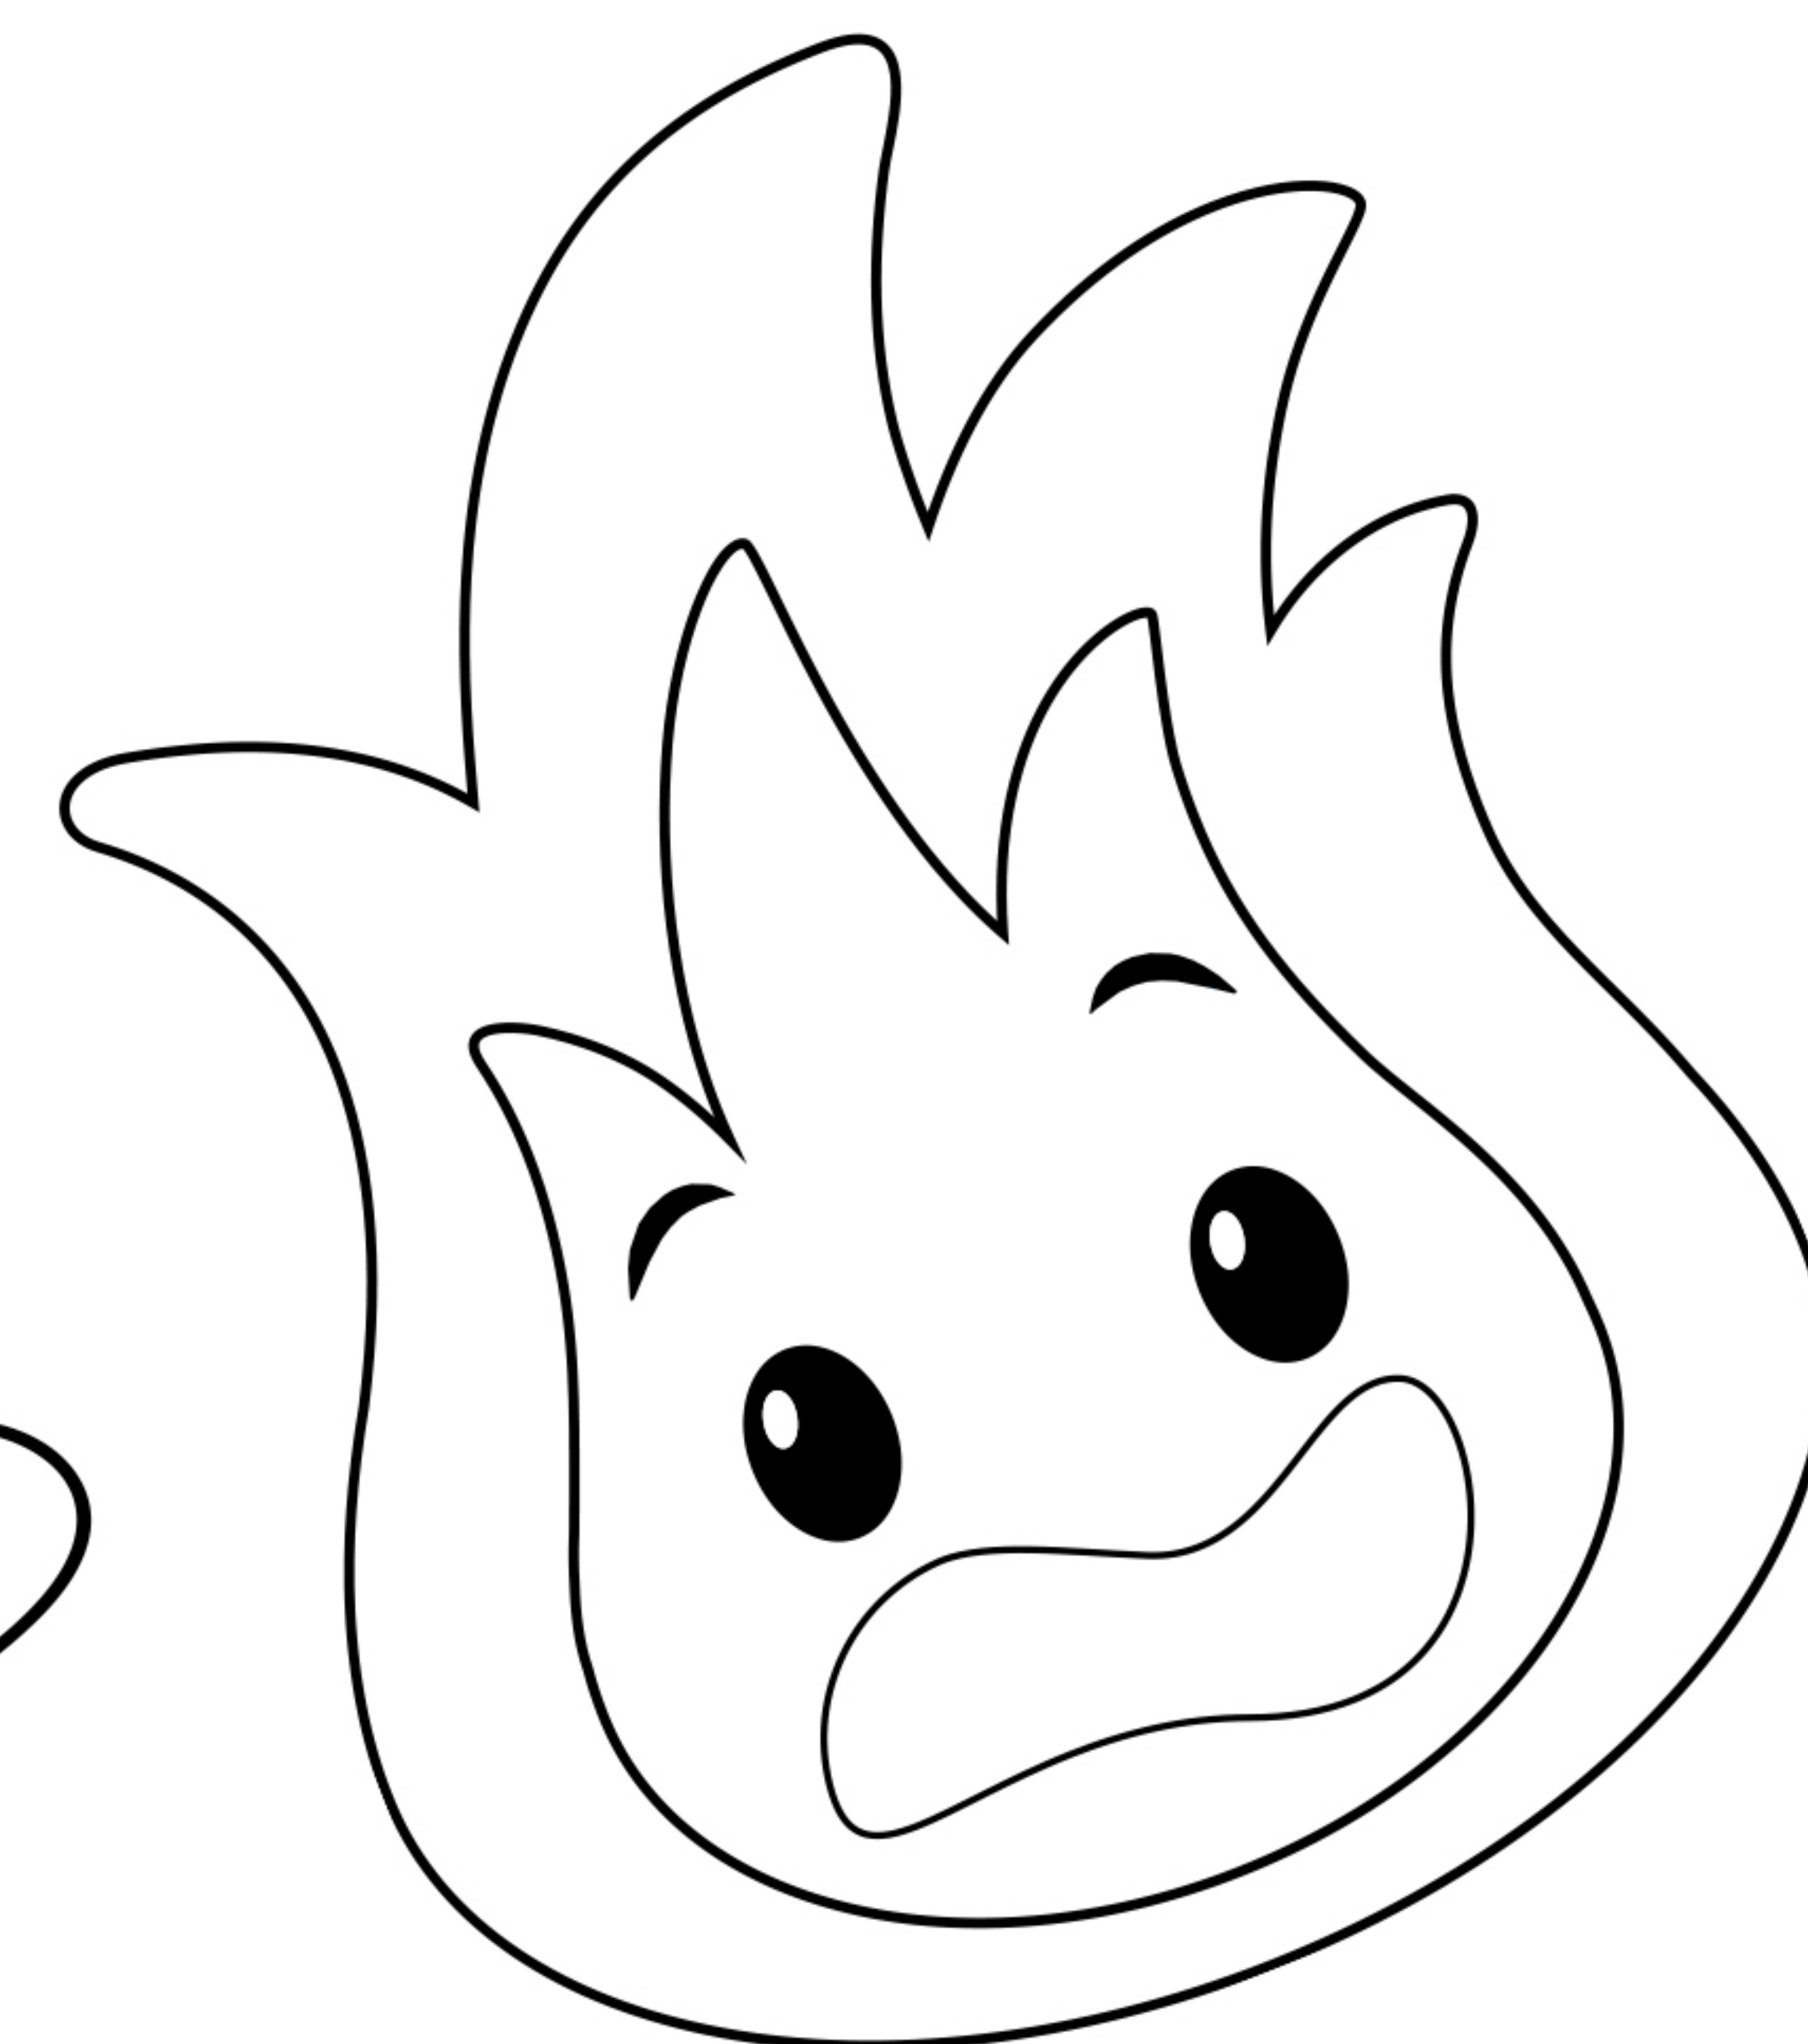

Honk, honk, honk!
Move out of the way!

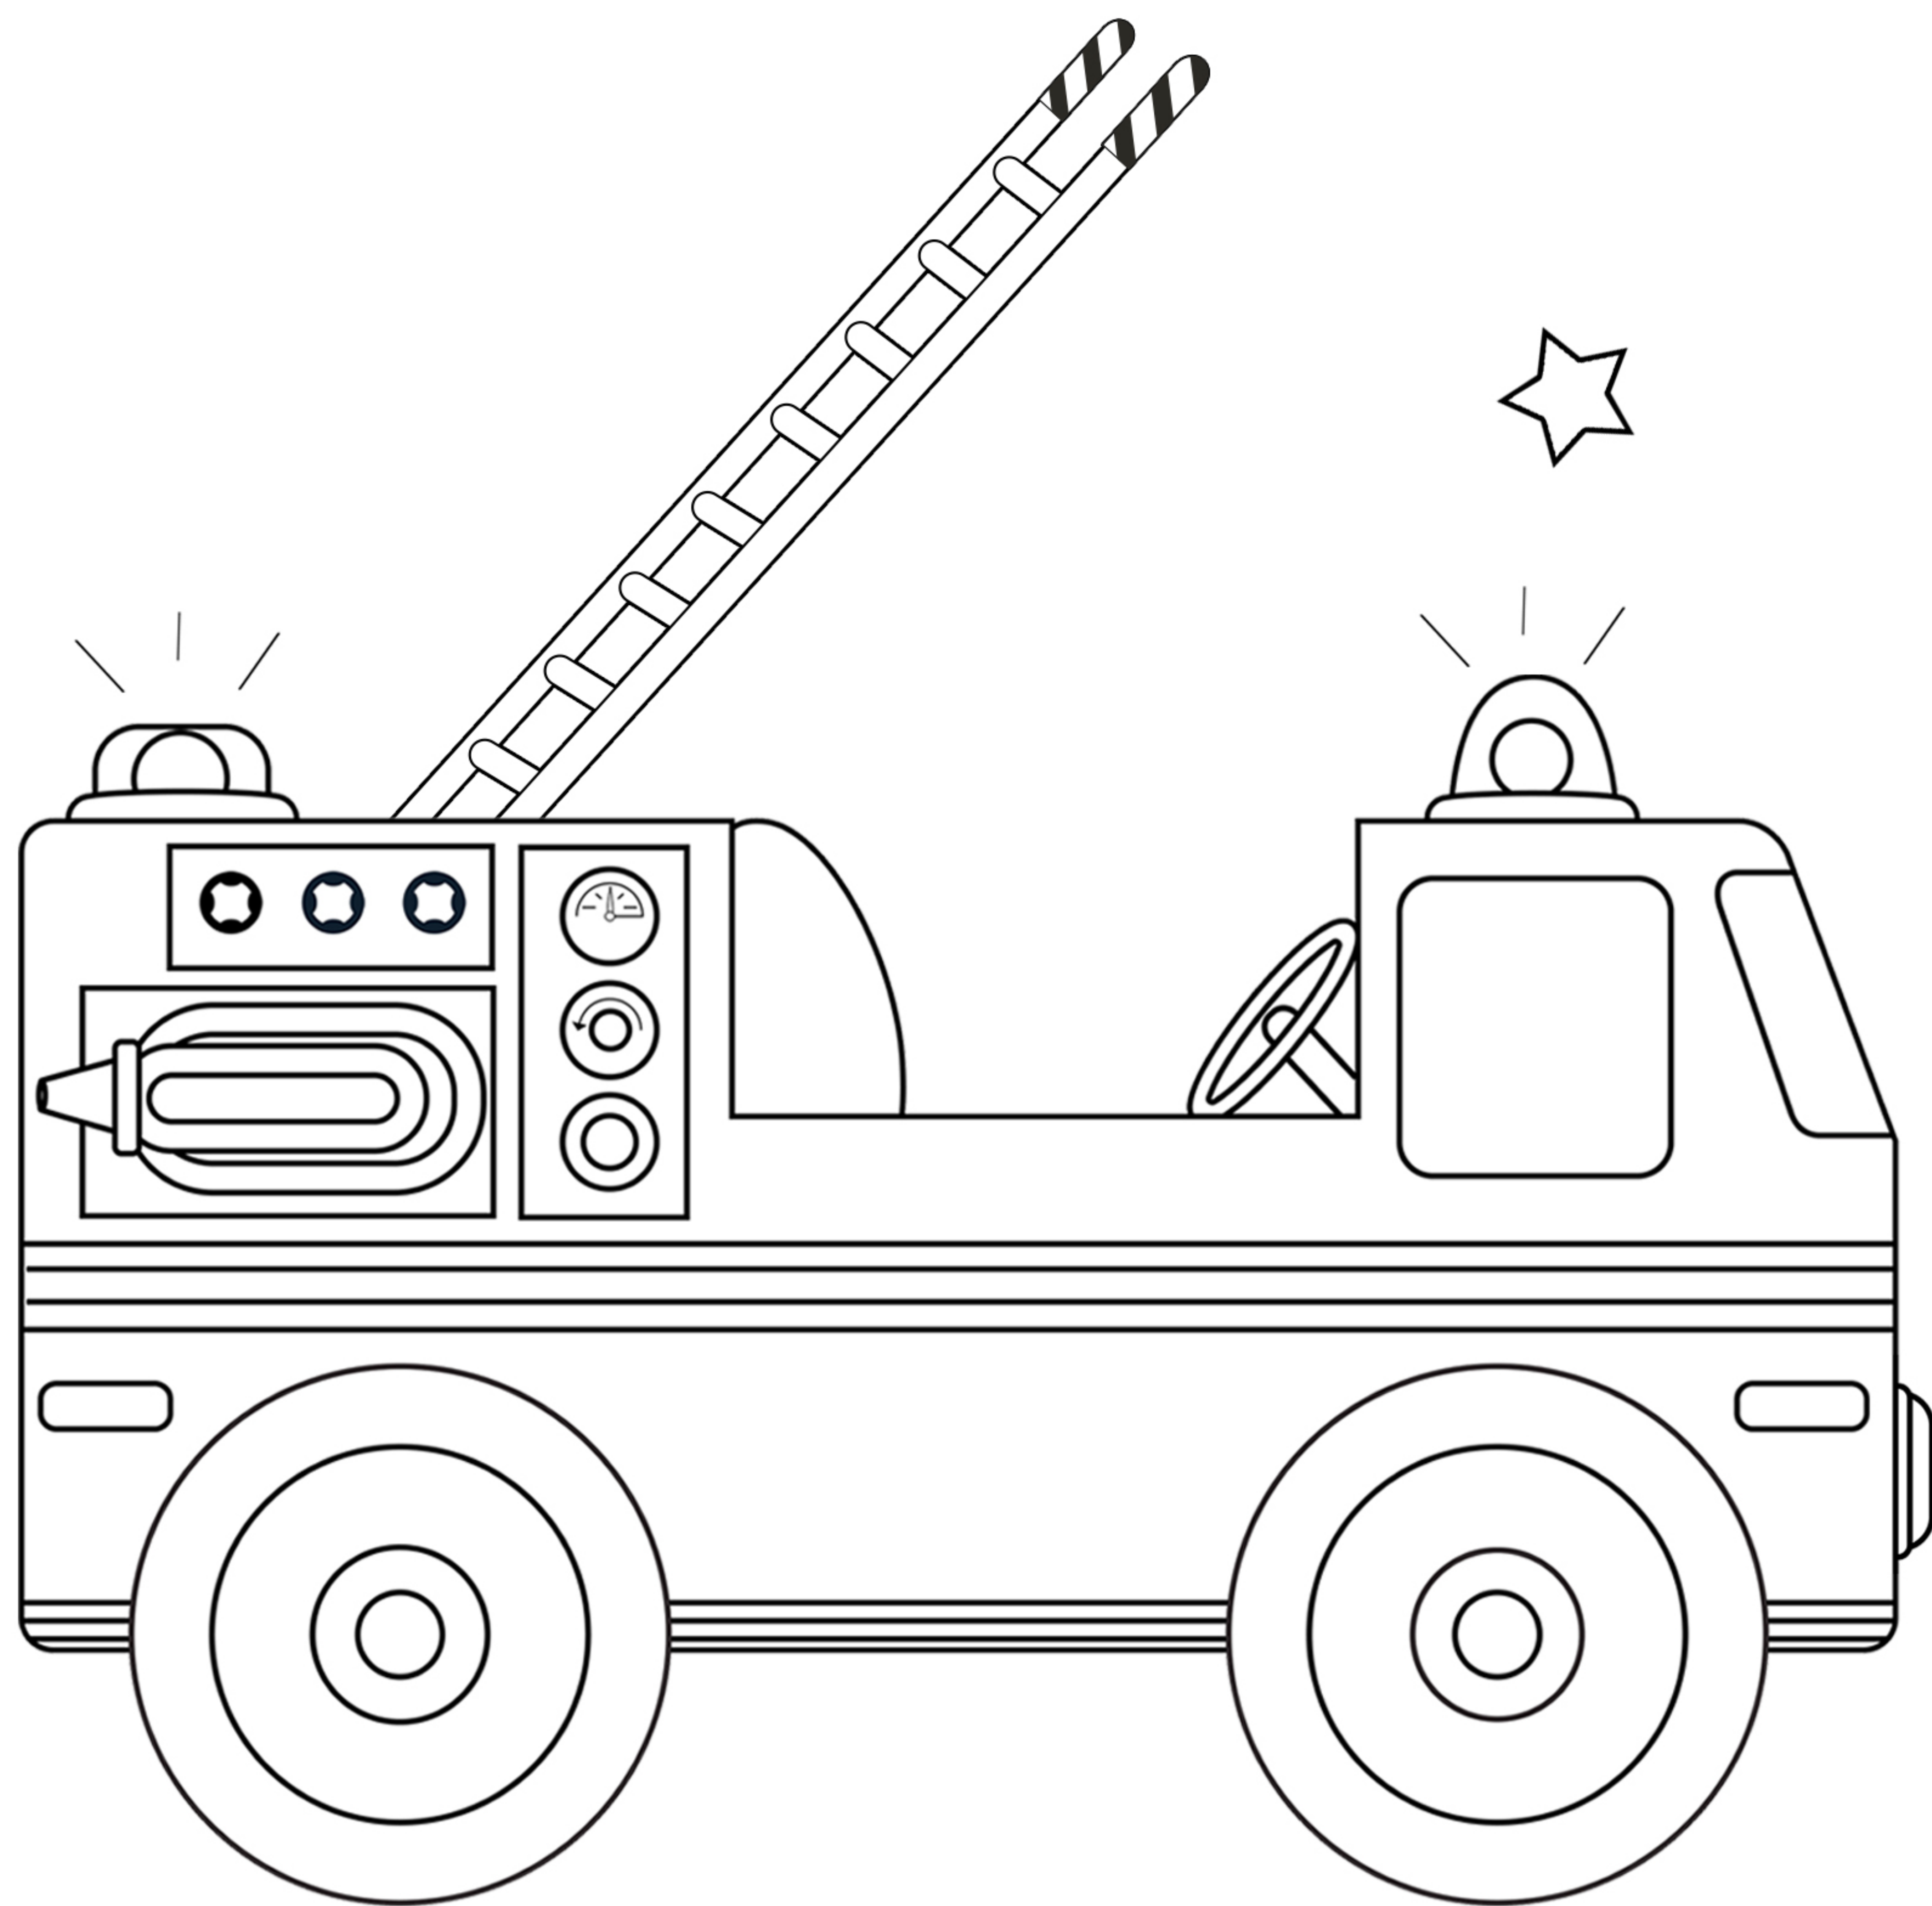

Honk, honk, honk!
We've got to save the day!

**There's a fire in the town,
so we've got to move fast.**

**The fire truck is coming through.
Let that fire engine pass.**

**Fire engine, fire engine, red as a beet.
Fire engine, fire engine, racing down the street.**

**Fire engine, fire engine, red as a beet.
Fire engine, fire engine, racing down the street.**
