**We use our feet to push push push,  
and zoom along with a whoosh whoosh whoosh.**

**We use our hands to steer steer steer,  
and listen close with our ears ears ears.**

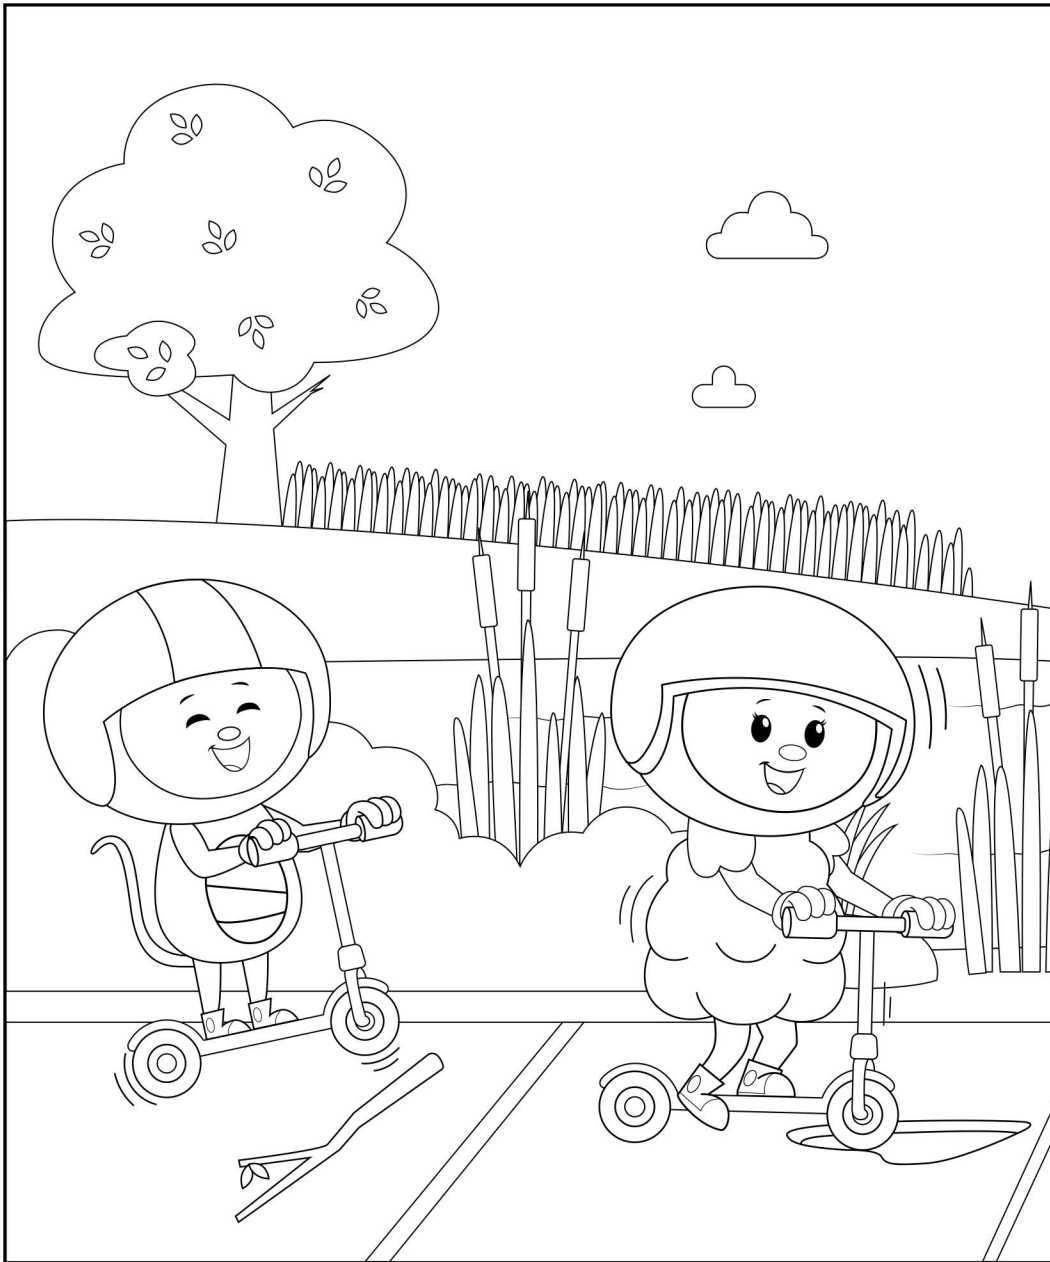

**We cross the street real slow slow slow.  
The coast is clear, let's go go go.**

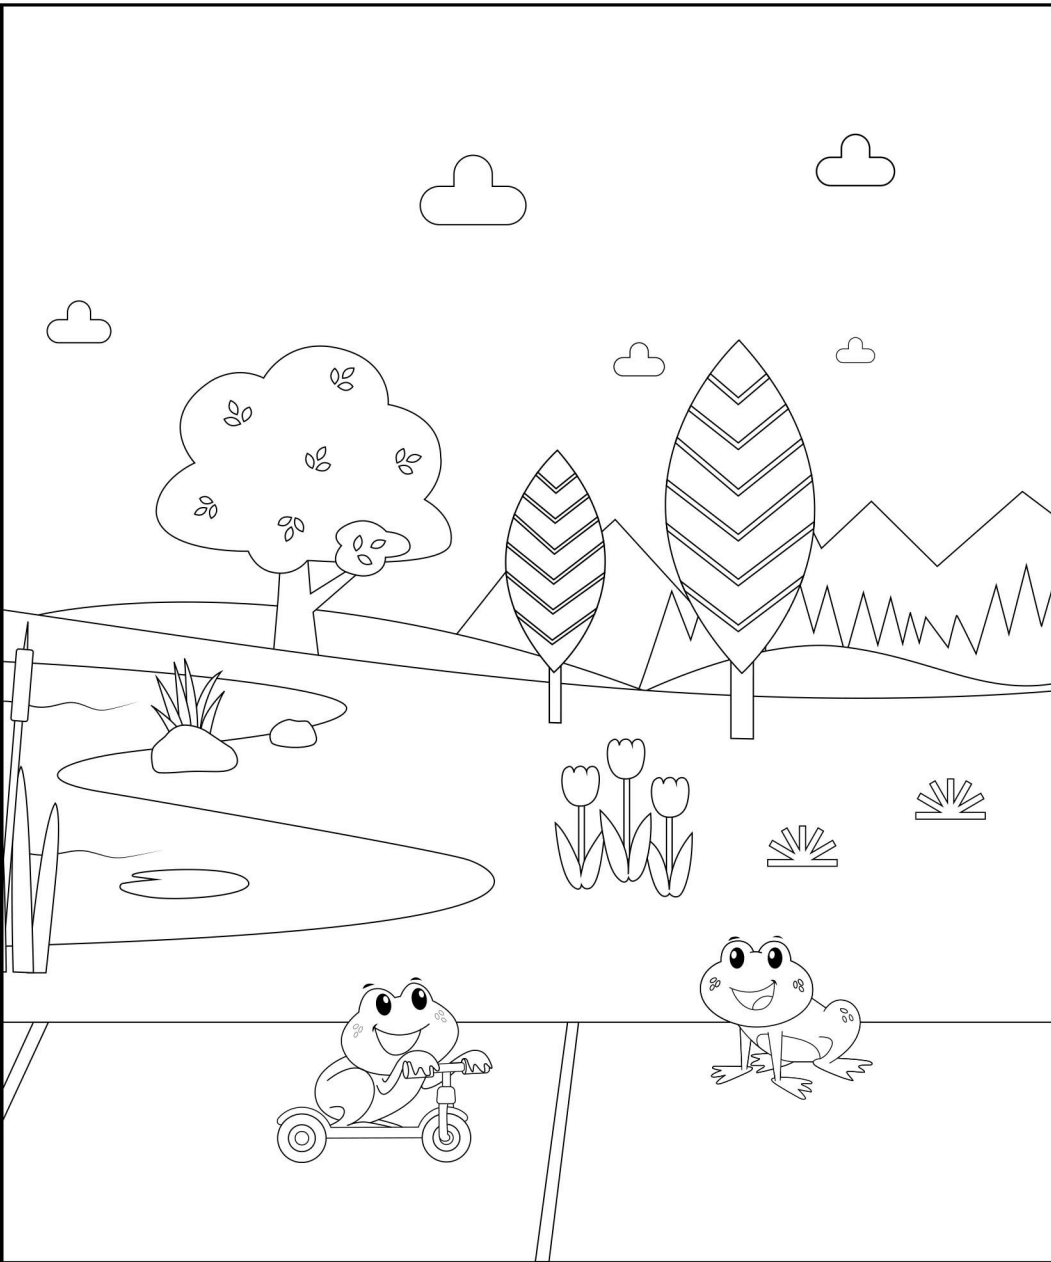

**We scoot on the gravel, shake shake shake.  
Look out for the people, brake brake brake.**

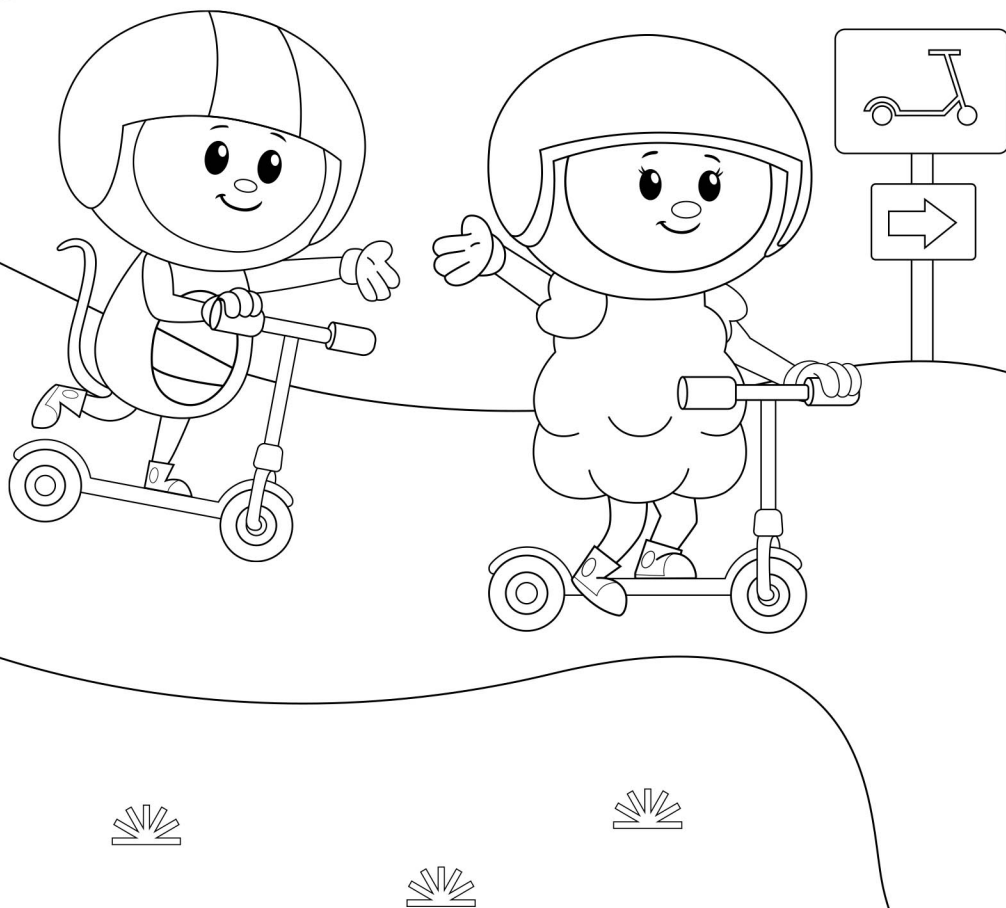

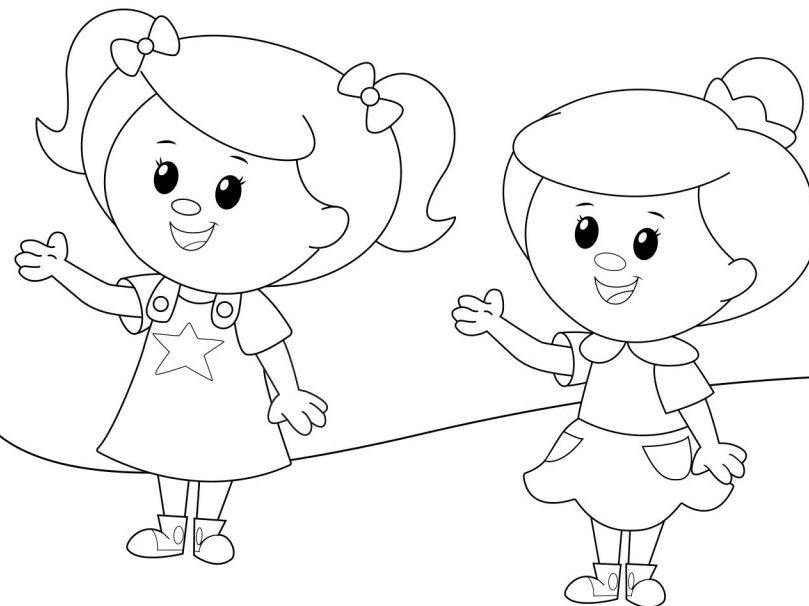

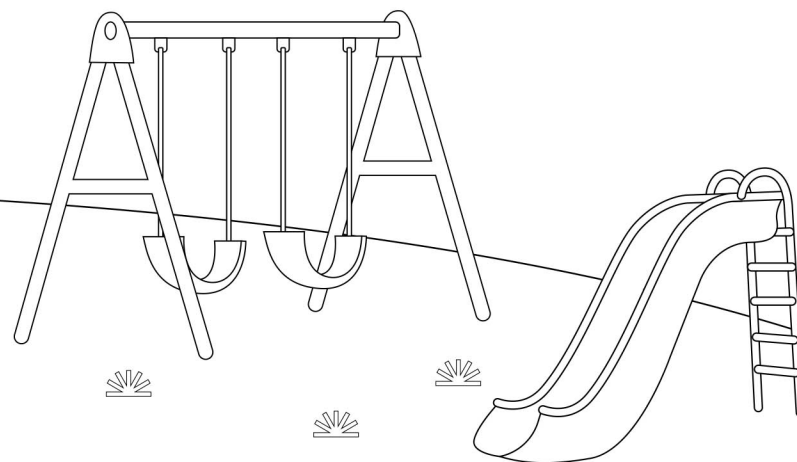

**A stick in the sidewalk, jump jump jump.  
A hole in the pavement, bump bump bump.**

**A bend in the road, curve curve curve.  
Watch out for that toad, swerve swerve swerve.**

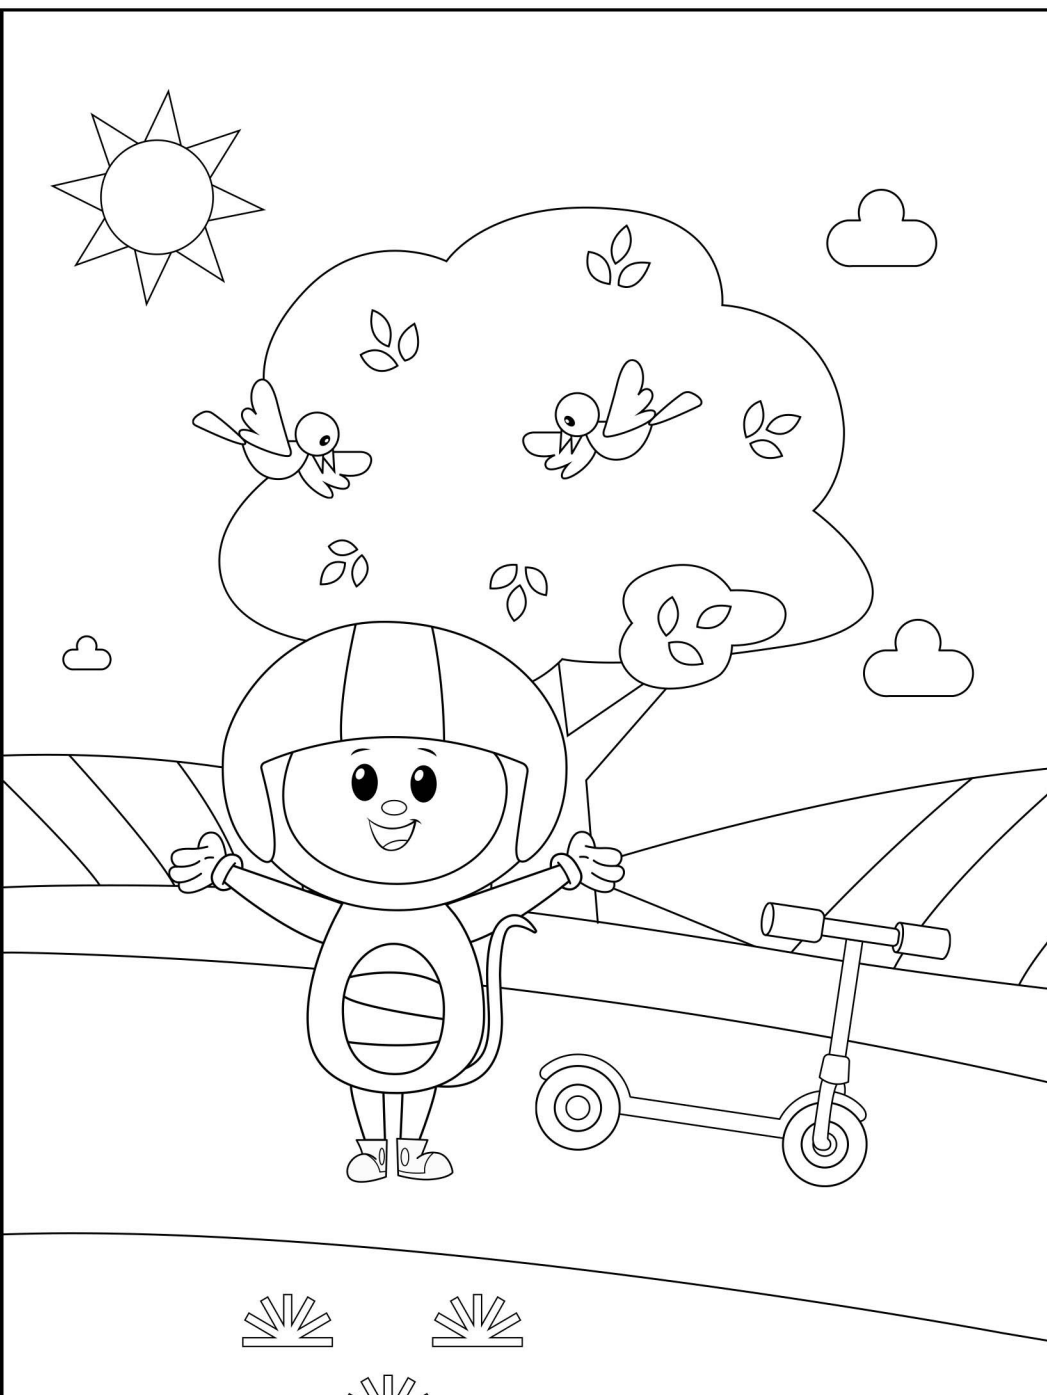

**Scooting, scooting, scooting around.  
Scooting, scooting, scooting around.**

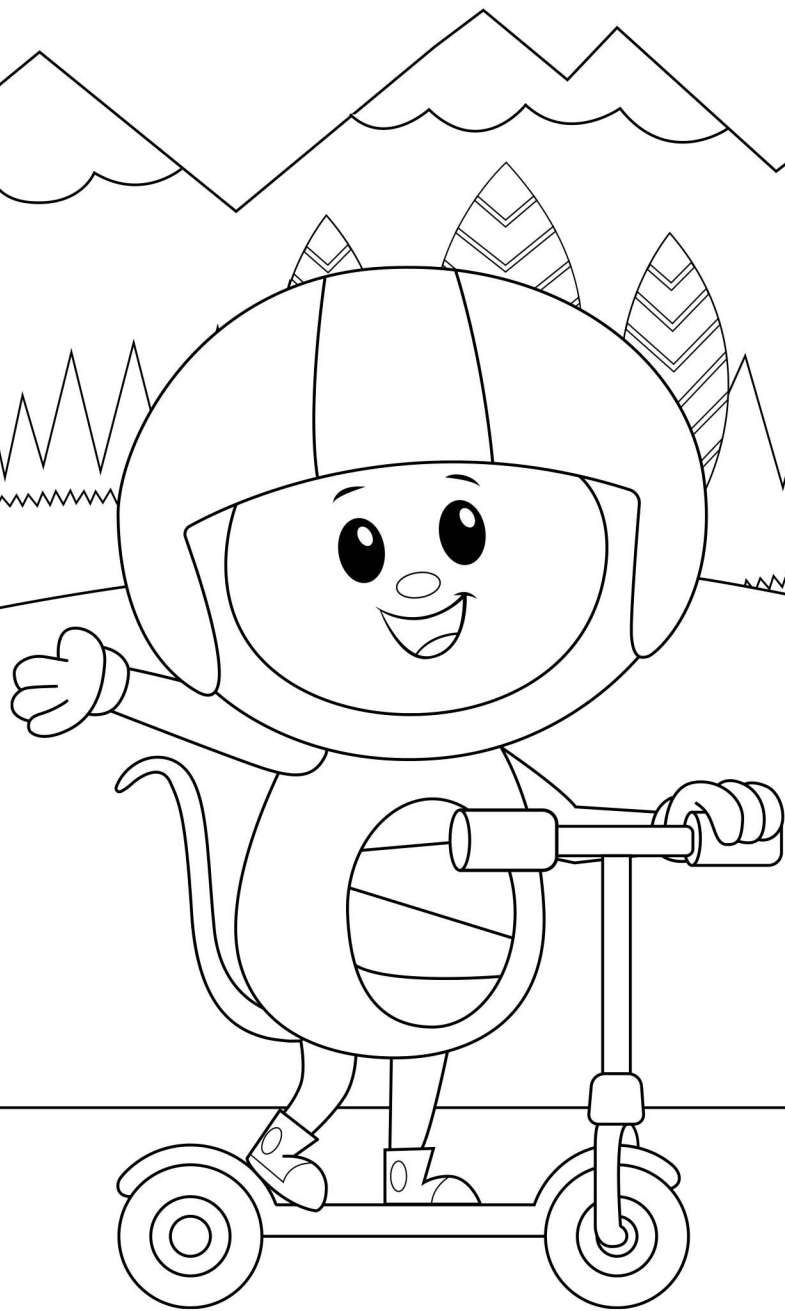

**Look at all the fun we have found.  
Scoot scoot scoot scooting around.**

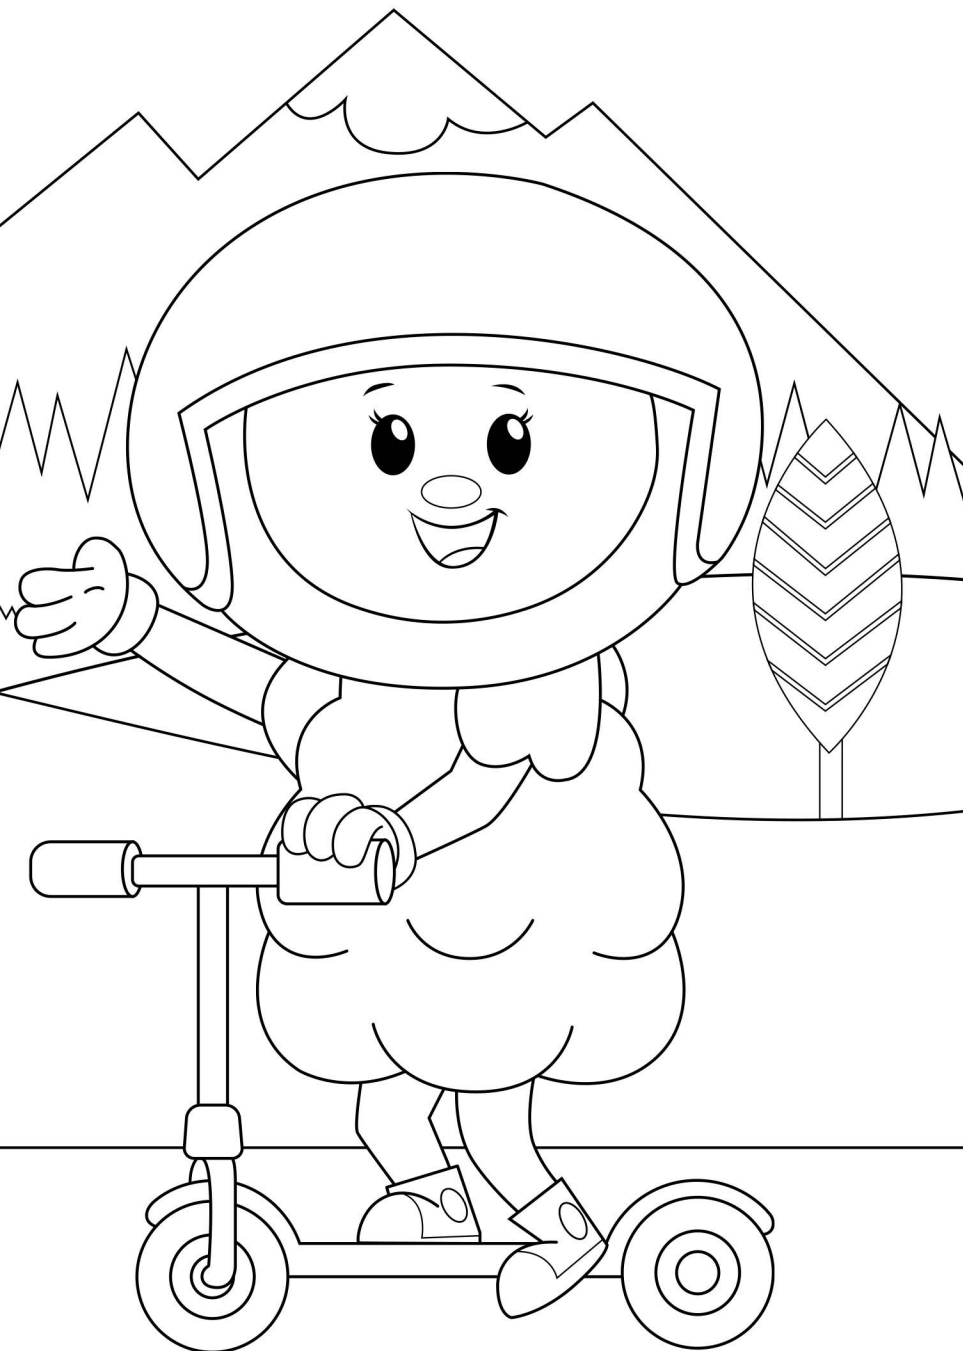

**Our legs are getting tired. Let's rest rest rest.**

**Let's start back up. Scooters are the best!**

**Scooting, scooting, scooting around.  
Scooting, scooting, scooting around.**

**Look at all the fun we have found.  
Scoot scoot scoot scooting around.**
