# Brush Your Teeth

**Brush your teeth. Brush your teeth.**

**Every morning, every night,  
brush your teeth to keep them white.**

**Brush your teeth. Brush your teeth.**

**Back and forth and straight across,  
don't forget to use that floss.**

**Up and down and all around,  
when you brush, you hear this sound.**

**Chika-chika-chi. Chika-chika-chi.  
Brush your teeth.**

**Twice a day, get it done.  
Put a little toothpaste on.**

**Brush in the back, brush up front.  
Some folks even brush their tongue.**

**Brush your teeth. Brush your teeth.**

**Brush and floss and you will see.  
You will have no cavities.**

**Up and down and all around,  
when you brush, you hear this sound.**

**Chika-chika-chi. Chika-chika-chi.  
Brush your teeth.**

**Back and forth and straight across,  
don't forget to use that floss.**

**Brush your teeth!**
