**Working on the farm all day long,  
Everybody sing the planting song.**

**Working on the farm all day long,  
Everybody sing the planting song.**

**First you take a seed and put it in the ground.  
Put it in the ground, put it in the ground.**

**Then you get some water and pour it all around.  
Pour it all around, pour it all around.**

**When the sun comes out, the light shines down.  
The light shines down, the light shines down.**

**The leaves grow green and the stem grows brown.  
The stem grows brown, the stem grows brown.**

**Working on the farm all day long,  
Everybody sing the planting song.**

**Working on the farm all day long,  
Everybody sing the planting song.**

**When the fruit is ripe,  
They'll be big and round.**

**Big and round,  
Big and round.**

**We'll pick the fruit and take it to town.**

**Take it to town, take it to town.**

**Working on the farm all day long,  
Everybody sing the planting song.**
