**Earth is our home,
What a beautiful home,
We love our beautiful home.**

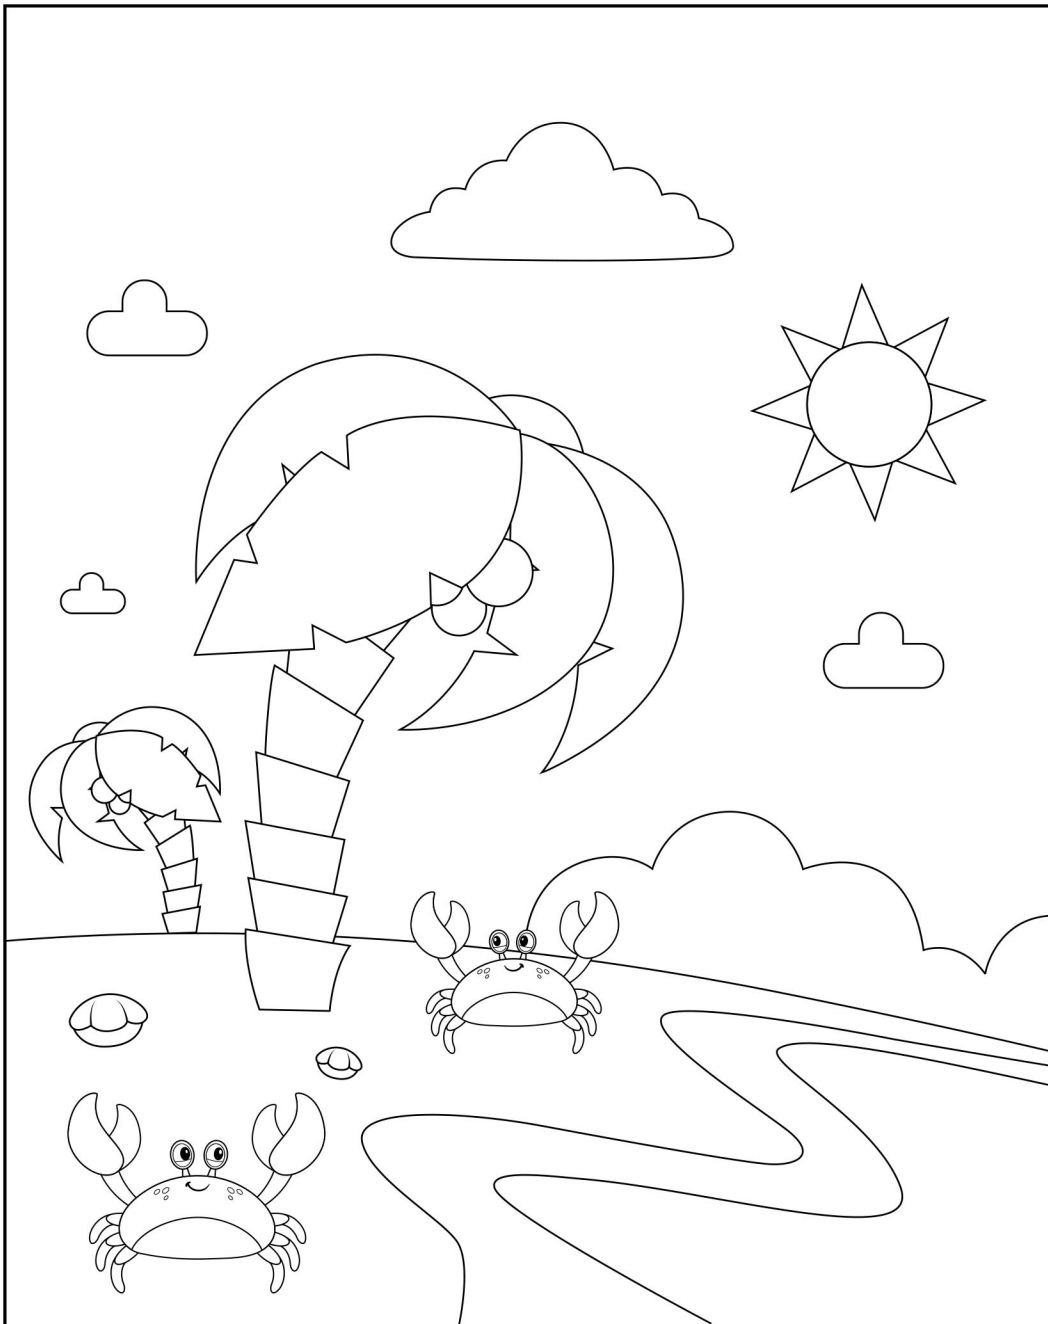

**Earth is our home,
And wherever we roam,
We know Earth is our home.**

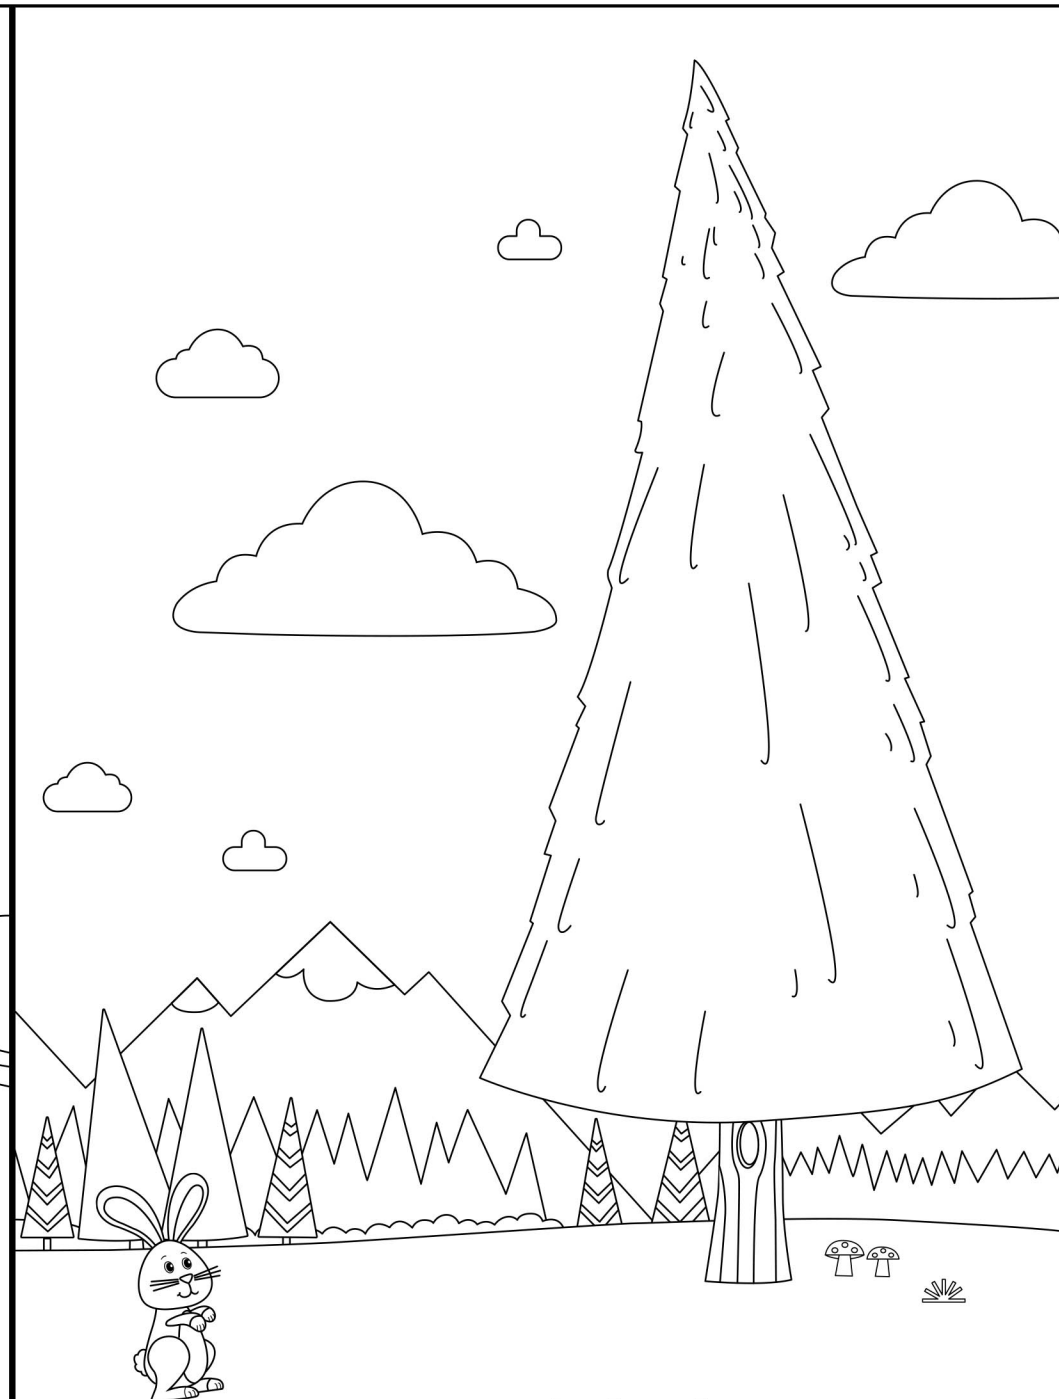

**Flowers grow tall,
Insects so small,
We love our beautiful home.**

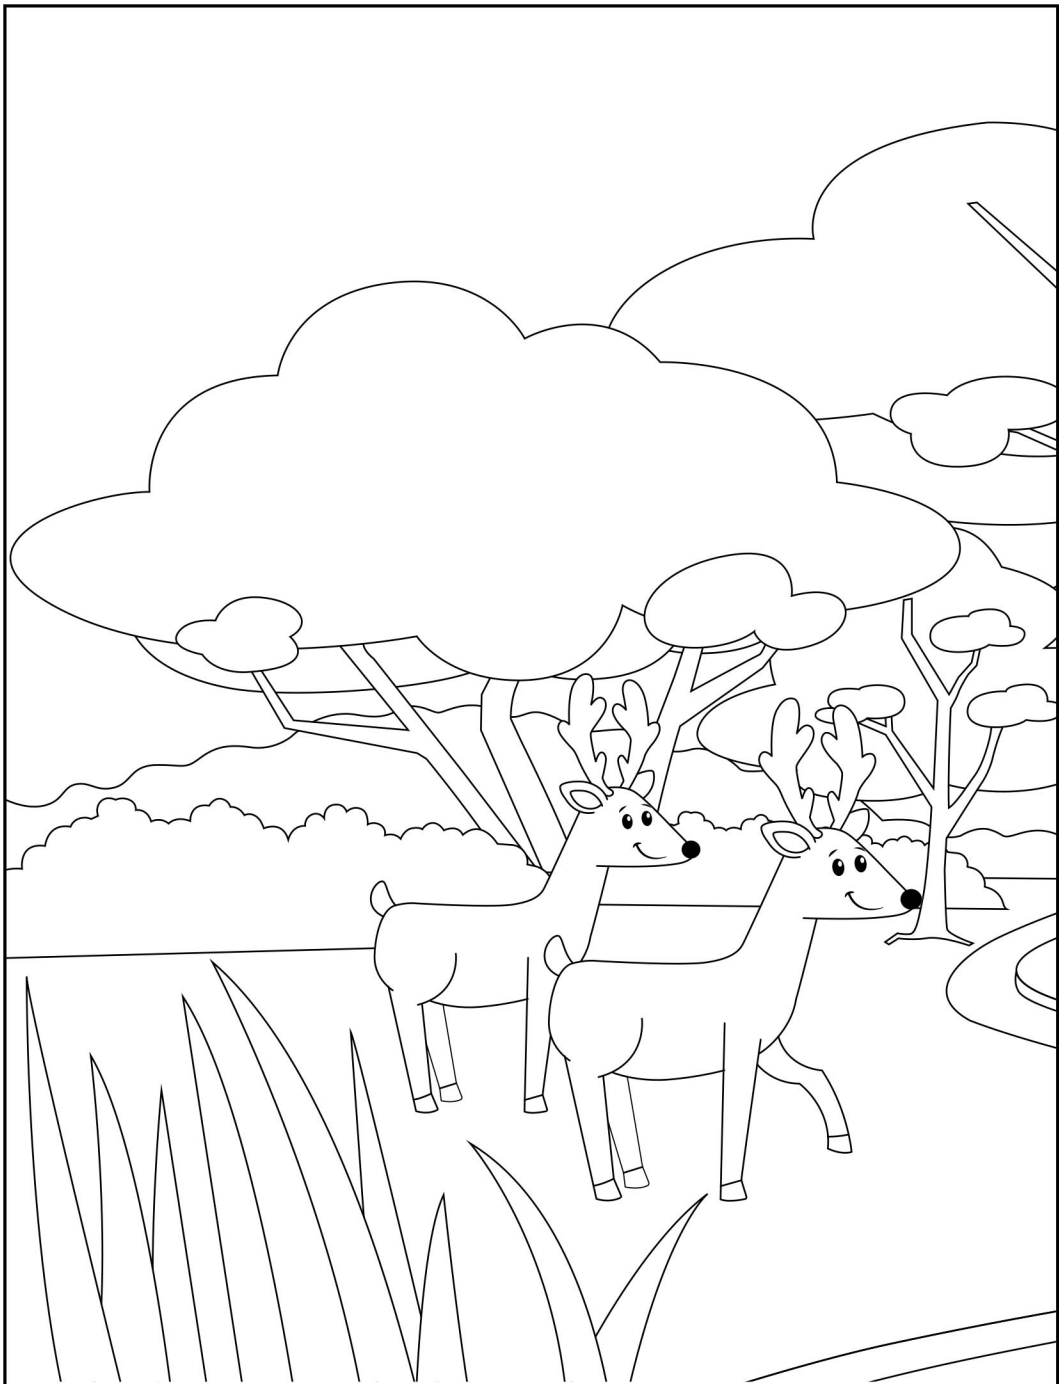

**Songbirds that sing,
Fit for a king,
We know Earth is our home.**

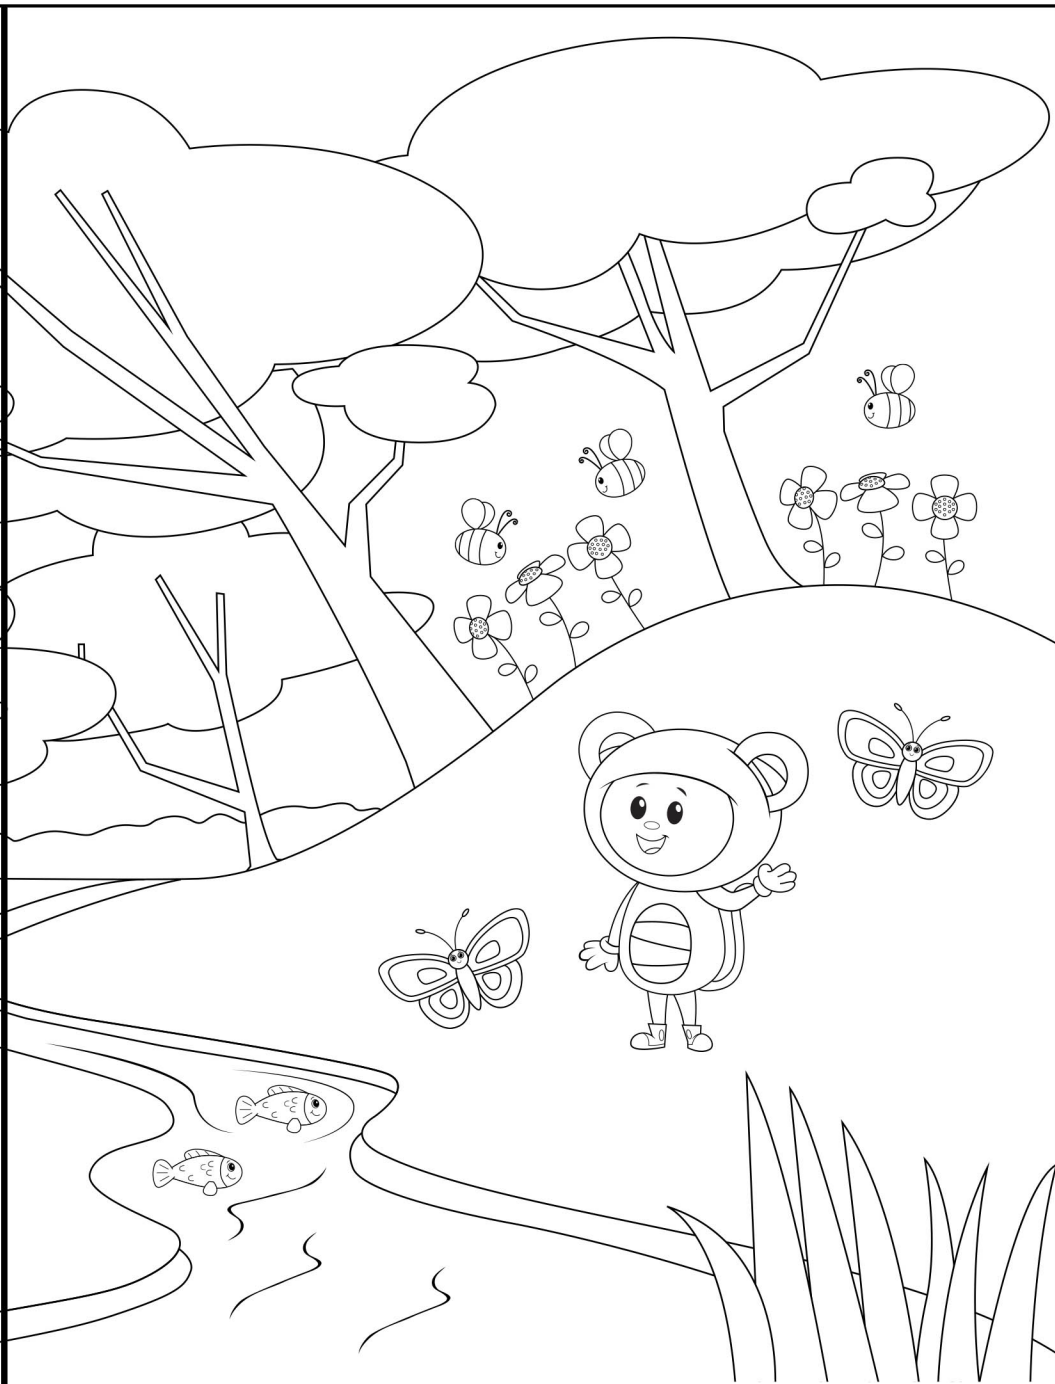

**Oceans so blue,
Oh what a view,
We love our beautiful home.**

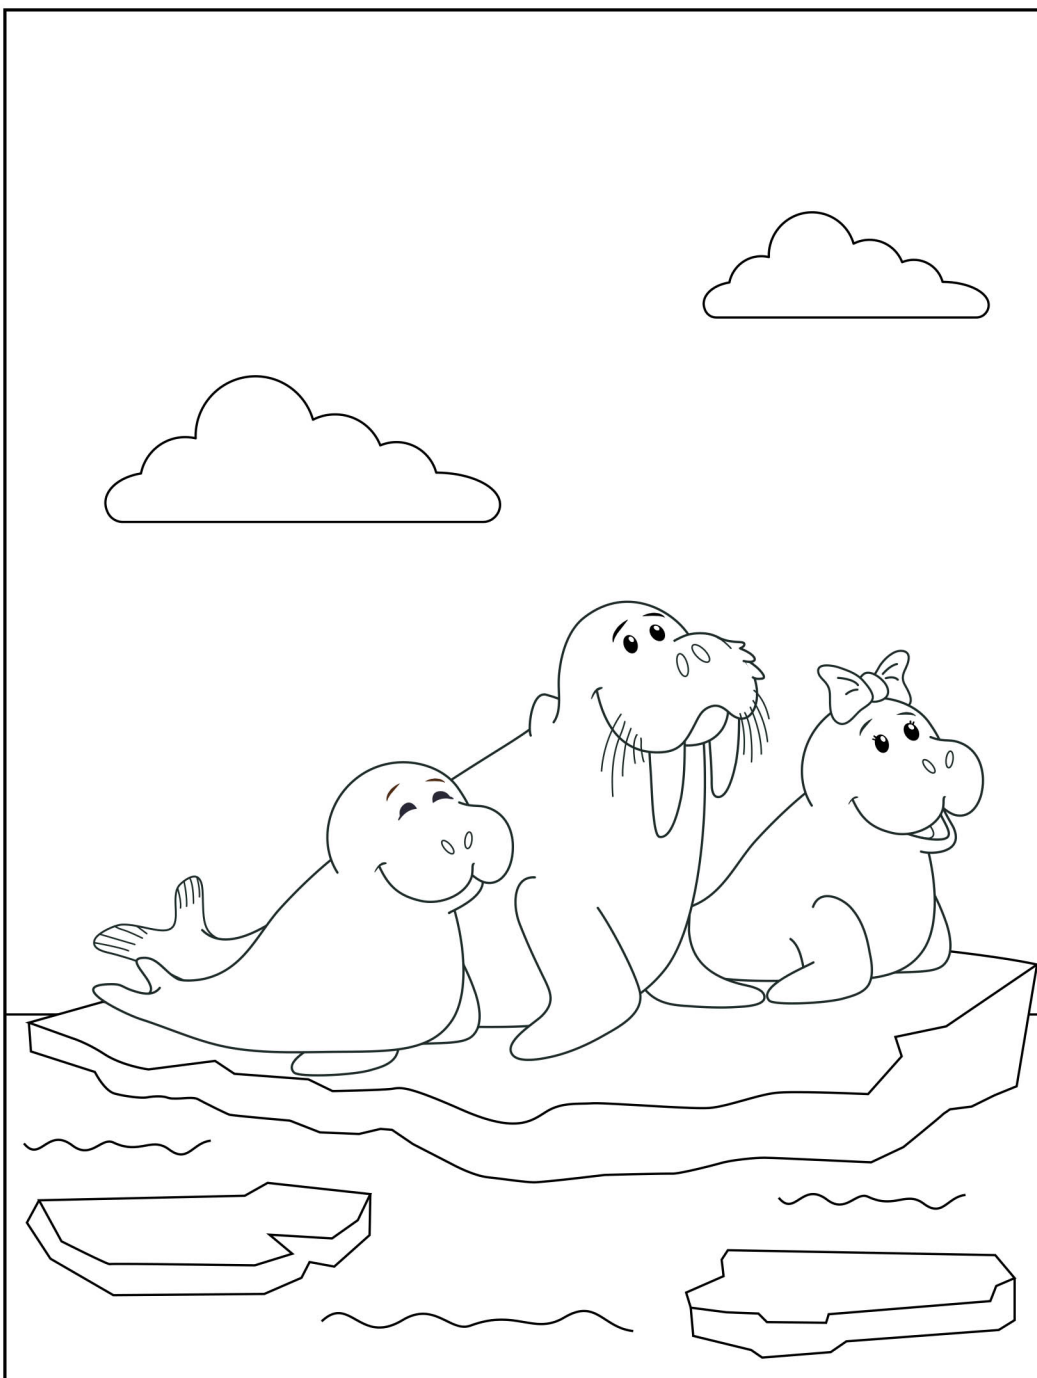

**Trees touch the sky,
Clouds float on by,
We know Earth is our home.**

**Earth is our home,
What a beautiful home,
We love our beautiful home.**

**Earth is our home,
And wherever we roam,
We know Earth is our home.**

A black and white line drawing of an arctic scene. In the foreground, a walrus and a seal are on a piece of ice. The walrus is standing and looking towards the seal, which is lying down. There are two more pieces of ice floating in the water below. In the background, there are two clouds in the sky.

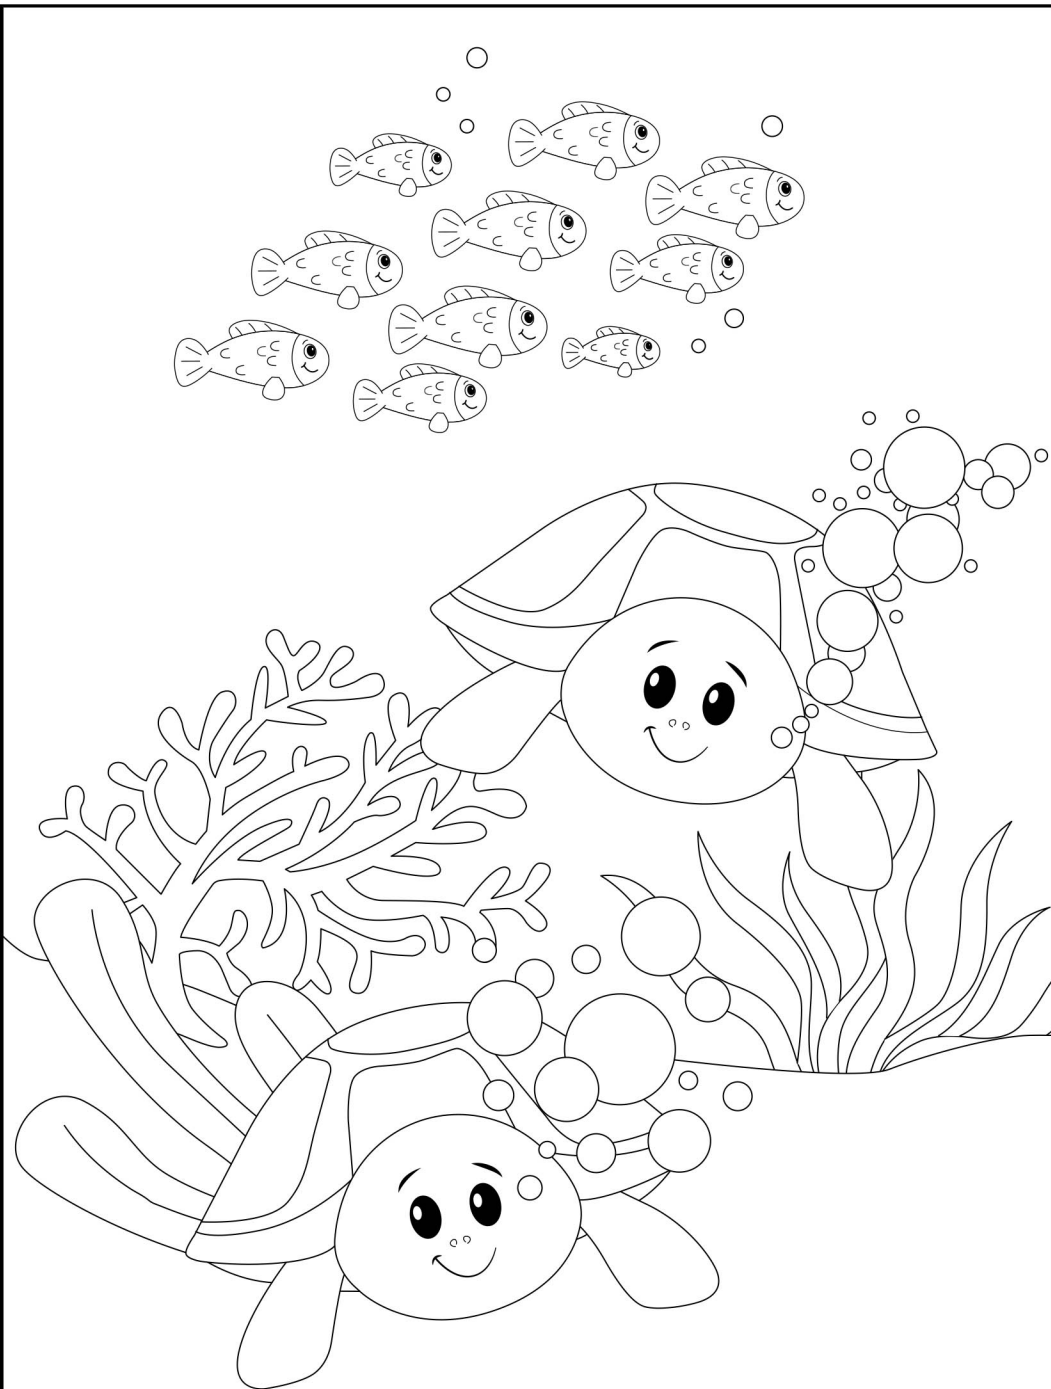

**Ice on the sea,
With a walrus or three,
We love our beautiful home.**

A black and white line drawing of a desert scene. A camel is standing in the center, looking towards the left. In the background, there is a large, striped mountain and a sun with many points. To the left of the camel is a saguaro cactus, and to the right is a smaller cactus with flowers. There is also a small pile of weeds or grass in the bottom right corner.

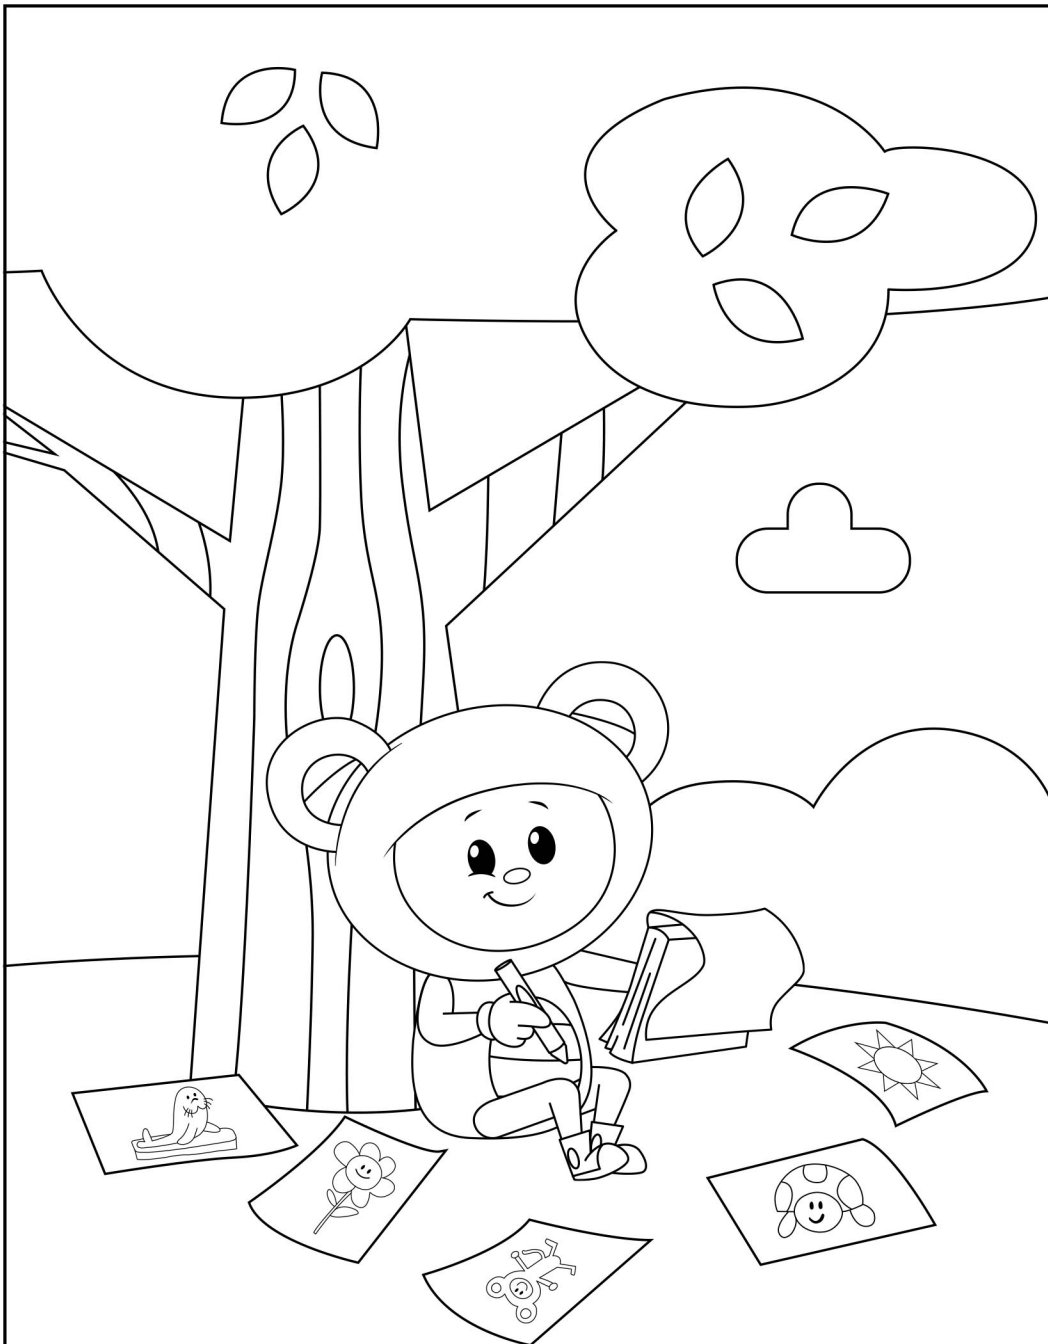

**Deserts so dry,
Weeds tumble by,
We know Earth is our home.**

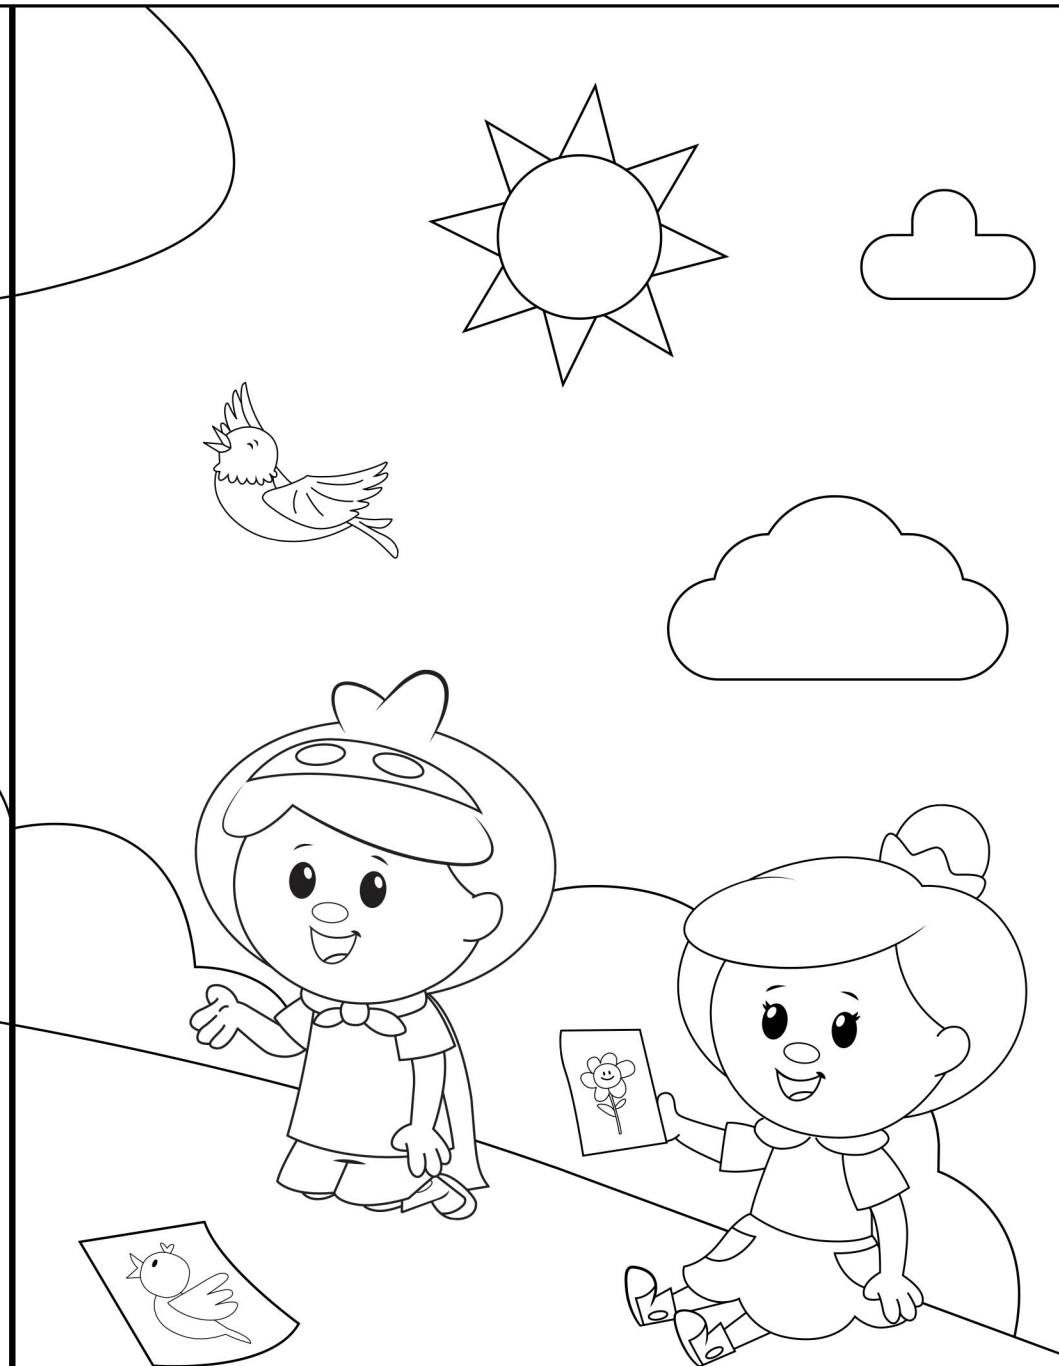

**Snow on the ground,
Hush not a sound,
We love our beautiful home.**

**Rivers so wide,
With turtles inside,
We know Earth is our home.**

**Earth is our home,
What a beautiful home,
We love our beautiful home.**

**Earth is our home,
And wherever we roam,
We know Earth is our home.**
