

Boogity Boo

Boogity Boo.

Boogity Boo.

Ghosts and goblins boogity boo,
Witches, werewolves, vampires, too.
They've waited all year for this one night,
Now they're here to give us all a fright.

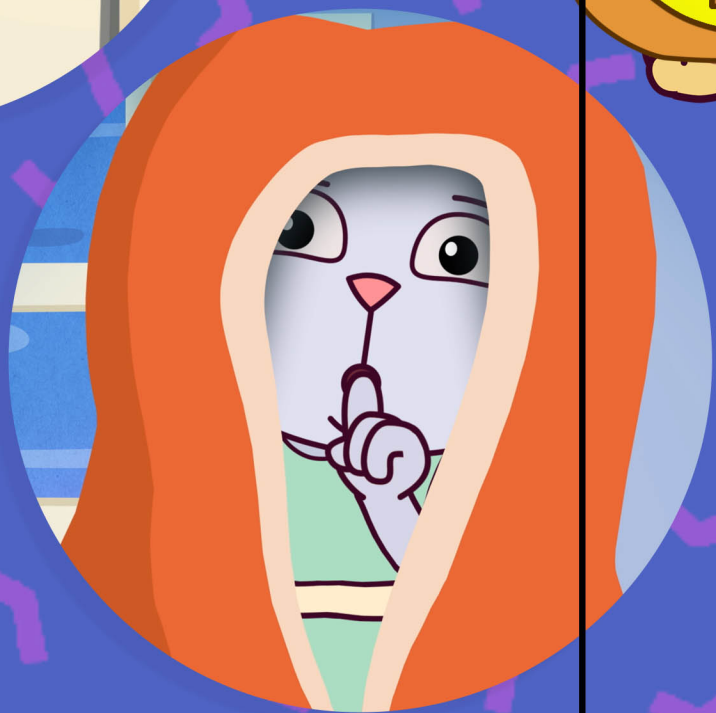

Boogity Boo.

Ghosts and goblins boogity boo,
Witches, werewolves, vampires, too.
They've waited all year for this one night,
Now they're here to give us all a fright.

Boogity Boo.

You can turn off the lights and hide in your house.
Pull up the covers and be quiet as a mouse.

But if you're brave, put a costume on,
Go trick or treating and join in the fun.

Ghosts and goblins boogity boo,
Witches, werewolves, vampires, too.
They've waited all year for this one night,
Now they're here to give us all a, give us all a.

Ghosts and goblins boogity boo,
Witches, werewolves, vampires, too.
They've waited all year for this one night,
Now they're here to give us all a fright.
