If you're happy and you know it, clap your hands.
If you're happy and you know it, clap your hands.

If you're happy and you know it and you really want to show it,
If you're happy and you know it, clap your hands.

If you're happy and you know it, stomp your feet.
If you're happy and you know it, stomp your feet.

If you're happy and you know it and you really want to show it,
If you're happy and you know it, stomp your feet.

If you're happy and you know it, smile.

If you're happy and you know it, smile.

If you're happy and you know it,
If you're happy and you know it,

If you're happy and you know it, smile.
If you're happy and you know it, smile.

HOORAY!

If you're happy and you know it, shout hooray!
If you're happy and you know it, shout hooray!

If you're happy and you know it and you really want to show it,
If you're happy and you know it, shout hooray!

**If you're happy and you know it, say haha!
If you're happy and you know it, say haha!**

**If you're happy and you know it and you really want to show it,
If you're happy and you know it, say haha!**

If you're happy and you know it and you really want to show it,
If you're happy and you know it, clap your hands.
