The itsy bitsy spider
Went up the waterspout.
Down came the rain and
Washed the spider out.

Out came the sun and
Dried up all the rain,
And the itsy bitsy spider
Went up the spout again.

The itsy bitsy spider
Went up the spout again.
The sun was on his side,
So he knew that he could win.

He ran, ran, ran
Just as quick as he could spin,
And then the spider learned
He can always try again.

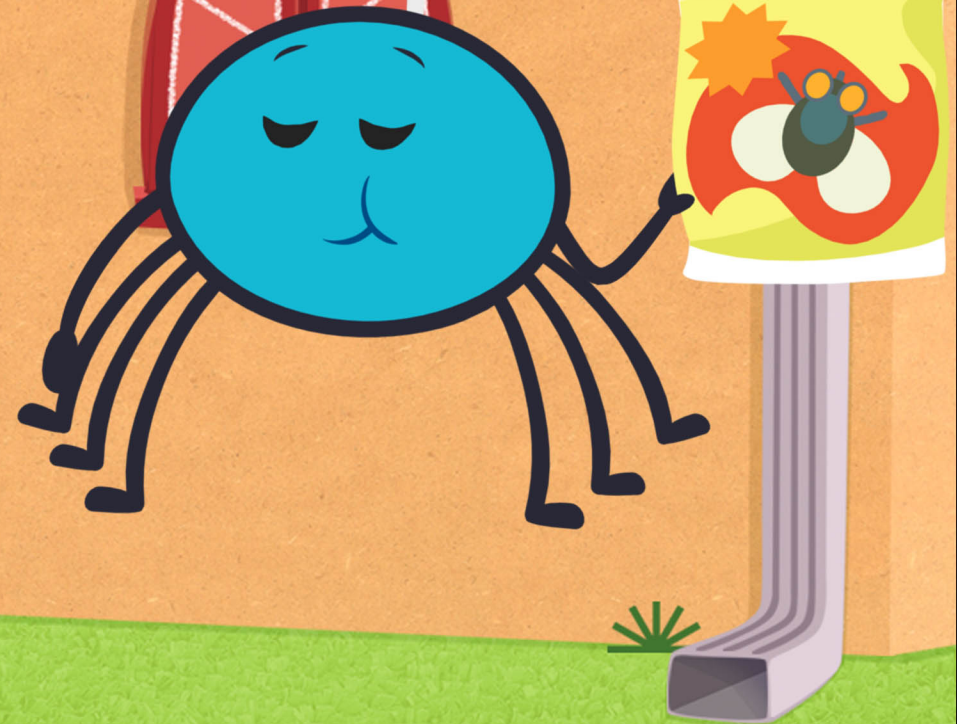

**The itsy bitsy spider
Went up the waterspout.**

**The itsy bitsy spider,
He never had a doubt.**

The itsy bitsy spider,
He never had a doubt.
All he had to do
Was spin his web out.

He worked, worked, worked
And when the time was right,
He kicked up his heels
And he snacked on flies.

The itsy bitsy spider,
He likes to eat those flies.
The itsy bitsy spider,
He tries, he tries, he tries.

The itsy bitsy spider,
The sun is on his side.
