 What? Ice cream! What? Ice cream!

Get a scoop of that. Get a scoop of that.
 What? Ice cream! What? Ice cream!

**When the day is hot and steamy,
Ice cream is so cold and creamy.
Put it in a cone. Put it in a cup.
I'm just gonna eat it up!**

**Yeah! Ice cream!
I'm just gonna eat it up!
Yeah! Ice cream!**

**Get a scoop of that. Get a scoop of that.
What? Ice cream! What? Ice cream!**

**Get a scoop of that. Get a scoop of that.
What? Ice cream! What? Ice cream!**

**Vanilla, chocolate, and strawberry,
Mint chip, butterscotch and cherry.**
