

A Ghost and a Monster

A ghost and a monster
A ghost and a monster
A ghost and a monster
We say, "BOO!"

A ghost and a monster
A ghost and a monster
A ghost and a monster
We say, "BOO!"

Ghost is ghoulish
Monster's hairy
A ghost and a monster
We are scary!

Ghost is floating
Monster's prowling
Ghost is moaning
Monster's growling

**"RAAR!" says monster
"BOO!" says the ghost**

**"Which one of us
Scares you the most?"**

A ghost and a monster
A ghost and a monster
A ghost and a monster
We say, "BOO!"

A ghost and a monster
A ghost and a monster
A ghost and a monster
We say, "BOO!"

Monster's lurking
Ghost is hiding
Monster's creeping
Ghost is gliding

"Boo," yells Ghost,
Then monster says,
"Why can't we just
Be friends instead?"

A friendly ghost and
A friendly monster

Walk together
Down the street

A ghost and a monster
 A ghost and a monster
 A ghost and a monster
 Trick or treat!
