

Cover Your Mouth

When you sneeze, what do you do?
When you sneeze, what do you do?
When you sneeze, don't go (achoo)
Cover your mouth, doo be doo be doo.

Cover your mouth when you sneeze.
Cover your mouth if you please.
When you have a cold or flu,
Cover your mouth, doo be doo be doo.

When you cough, what do you do?
When you cough, what do you do?
When you cough, don't go (cough)
Cover your mouth, doo be doo be doo.

Cover your mouth when you sneeze.
Cover your mouth if you please.
When you have a cold or flu,
Cover your mouth, doo be doo be doo.

This is what I recommend.
Use your elbow, wash your hands.
Say excuse me, be polite.
Use your manners, do it right.

When you burp, what do you do?
When you burp, what do you do?
When you burp, don't go (burp)
Cover your mouth, doo be doo be doo.

Cover your mouth when you sneeze.
Cover your mouth if you please.
When you have a cold or flu,
Cover your mouth, doo be doo be doo.
Cover your mouth, doo be doo be doo.
Cover your mouth, doo be doo be doo!
