

I'm Sick

I'm sick and home from school.
I'm hot and can't get cool.
I'm coughing and I'm sneezing.
I'm hacking and I'm wheezing.

I'm sick, very sick.
I need to stay in bed.
I'll recoup with some soup,
That's what momma said.

I'll recoup with some soup,
That's what momma said.

I will get some rest,
So I can be my best.
Stay home a day or two,
I'll be as good as new,
Good as new!

I'm sick, very sick.
I need to stay in bed.
I'll recoup with some soup.
That's what momma said.
