

Morning Greetings

Every morning when I wake up
I greet my family and friends.
I say, "Good morning," and "How are you?"
I'm glad to see you again.

With a smile on my face and a grateful heart,
I greet them well and do my part
To make life sweet for everyone I meet.

Dad takes me to the park to play.
I see my friends on the way.
I watch my dad and if he greets them
I know just what to say.

With a smile on my face and a grateful heart,
I greet them well and do my part
To make life sweet for everyone I meet.

Mom takes me to the grocery store.
We see friends and cashiers.
Because we know them I say, "Hello"
And greet them with good cheer.

With a smile on my face and a grateful heart,
I greet them well and do my part
To make life sweet for everyone I meet.

Every morning when I wake up
I greet my family and friends.
I say, "Good morning," and "How are you?"
I'm glad to see you again.
I'm glad to see you again.
